

LOCAL AND PERSONAL.

W. A. Dudley returned from a two weeks' visit at the Fair Friday evening. Work on the Interior Warehouse Co's building is somewhat hindered by lack of material.

County Judge Dunn returned from Portland Saturday where he spent a couple of weeks with his family at the Fair. His family remained in the city and will probably spend the Winter there.

The Lone Proclaimer has changed hands, Messrs. F. B. Reed and H. B. Carter having purchased the paper. The new management has changed the size and style of the paper from the blanket sheet size to a neat 5-column 8-page paper, the same size and style as the Globe. The change is good and the general appearance of the paper is much improved.

Nothing on the Market Equal to Chamberlain's Colic, Cholera and Diarrhoea Remedy.

This fact is well known to druggists everywhere, and nine out of ten will give their customers this preparation when the best is asked for. Mr. Obe Witmer, a prominent druggist of Joplin, Mo., in a circular to his customers, says: "There is nothing on the market in the way of patent medicine which equals Chamberlain's Colic, Cholera and Diarrhoea Remedy for bowel complaints. We sell and recommend this preparation." For sale by Condon Drug Co.

Katy Clarke, the young daughter of Mr. and Mrs. M. O. Clarke, suffered from an attack of appendicitis last week and was taken to a Portland hospital by her parents Saturday. A successful operation was performed Sunday and the little patient is improving nicely.

A Warning to Mothers.

Too much care cannot be used with small children during the hot weather of the summer months to guard against bowel troubles. As a rule it is only necessary to give the child a dose of castor oil to correct any disorder of the bowels. Do not use any substitute, but give the old-fashioned castor oil, and see that it is fresh, as rancid oil nauseates and has a tendency to grip. If this does not check the bowels give Chamberlain's Colic, Cholera and Diarrhoea Remedy and then a dose of castor oil, and the disease may be checked in its incipency and all danger avoided. The castor oil and this remedy should be procured at once and kept ready for instant use as soon as the first indication of any bowel trouble appears. This is the most successful treatment known and may be relied upon with implicit confidence even in cases of cholera infantum. For sale by Condon Drug Co.

J. E. Lancaster left for Portland Monday morning going to Arlington by team on account of the railroad being blocked by Sunday's wreck.

A Touching Story

is the saving from death, of the baby girl of Geo. A. Eyler, Cumberland, Md. He writes: "At the age of 11 months, our little girl was in declining health, with serious Throat Trouble, and two physicians gave her up. We were almost in despair, when we resolved to try Dr. King's New Discovery for Consumption, Coughs and Colds. The first bottle gave relief; after taking four bottles she was cured, and is now in perfect health." Never fails to relieve and cure a cough or cold. At all druggists; 50c and \$1.00 guaranteed. Trial bottle free.

Mrs. Sherry, of The Dalles, spent Sunday with her husband in this city.
