

Nothing on the Market Equal to Chamberlain's Colic, Cholera and Diarrhoea Remedy.

This fact is well known to druggists everywhere, and nine out of ten will give their customers this preparation when the best is asked for. Mr. Obe Witmer, a prominent druggist of Joplin, Mo., in a circular to his customers, says: "There is nothing on the market in the way of patent medicine which equals Chamberlain's Colic, Cholera and Diarrhoea Remedy for bowel complaints. We sell and recommend this preparation." For sale by Condon Drug Co.

J. H. Young, who has been engaged in the butcher business in Fossil for several years, was a passenger on Monday's train bound for Portland to take in the Fair for a few days. From Portland he expects to return to his old home in Scotland and after a visit there may locate in British Columbia or Alberta.

A Warning to Mothers.

Too much care cannot be used with small children during the hot weather of the summer months to guard against bowel troubles. As a rule it is only necessary to give the child a dose of castor oil to correct any disorder of the bowels. Do not use any substitute, but give the old-fashioned castor oil, and see that it is fresh, as rancid oil nauseates and has a tendency to grip. If this does not check the bowels give Chamberlain's Colic, Cholera and Diarrhoea Remedy and then a dose of castor oil, and the disease may be checked in its incipency and all danger avoided. The castor oil and this remedy should be procured at once and kept ready for instant use as soon as the first indication of any bowel trouble appears. This is the most successful treatment known and may be relied upon with implicit confidence even in cases of cholera infantum. For sale by Condon Drug Co.

A full grown dust storm passed over Condon Sunday afternoon which was enough to make visitors and new arrivals squint their eyes somewhat. If such performances by the elements do any good whatever, it must be in the way of demonstrating to visitors that eastern Oregon never does things by halves.

A Touching Story

is the saving from death, of the baby girl of Geo. A. Eyler, Cumberland, Md. He writes: "At the age of 11 months, our little girl was in declining health, with serious Throat Trouble, and two physicians gave her up. We were almost in despair, when we resolved to try Dr. King's New Discovery for Consumption, Coughs and Colds. The first bottle gave relief; after taking four bottles she was cured, and is now in perfect health." Never fails to relieve and cure a cough or cold. At all druggists; 50c and \$1.00 guaranteed. Trial bottle free.

J. R. Wells went to Arlington Monday to meet his mother-in-law, Mrs. James Stevenson, on her return from a visit at her former home in Indiana. Mrs. Stevenson has been east for a month or two and has been quite ill during her absence, not having yet fully recovered.

They Appeal To Our Sympathies.

The bilious and dyspeptic are constant sufferers and appeal to our sympathies. There is not one of them, however, who may not be brought back to health and happiness by the use of Chamberlain's Stomach and Liver Tablets. These tablets invigorate the stomach and liver and strengthen the digestion. They also regulate the bowels. For sale by Condon Drug Co.

Mrs. Carrar and daughter, of Detroit, Michigan, who have been visiting their relatives, the Greiner families for some time, left Monday morning for their eastern home. Miss Catherine Greiner accompanied them as far as Portland.

Peculiar Disappearance.

J. D. Runyan, of Bottleville, O., laid the peculiar disappearance of his painful symptoms, of indigestion and biliousness, to Dr. King's New Life Pills. He says: "They are a perfect remedy, for dizziness, sour stomach, headache, constipation, etc. Guaranteed at all druggists, price 25c."

E. C. Rogers, of the Condon Lumber Co., left for Vancouver, Washington, Monday morning, being called there by the serious illness of one of his children. Mrs. Rogers and the children are spending the Summer at Vancouver.
