

GENERAL

A pleasant reception was tendered Mr. and Mrs. C. O. Portland by the members of the Eastern Star last Wednesday evening in the lodge room in the Masonic building. Members of the order and a few invited guests were present and a most pleasant evening was passed. A splendid lunch was served and a handsome silver berry spoon was presented to Mr. and Mrs. Portland by members of the lodge. Mrs. F. M. Pliter making the presentation on behalf of the lodge.

Herb W. Edwards injured.
Herb W. Edwards of Des Moines, Iowa, got a fall on an icy walk last winter, spraining his wrist and bruising his knees. "The next day," he says, "they were so sore and stiff I was afraid I would have to stay in bed, but I rubbed them well with Chamberlain's Pain Balm and after a few applications all soreness had disappeared." For sale by Condon Drug Co.

Government irrigation work in this state seems to be tied up indefinitely on account of Secretary Hitchcock's determination not to move in the matter until he gets good and ready. The only work promised for the very near future is the Klamath project and while half of the land to be reclaimed lies in California the secretary proposes to assess all of the work to Oregon's quota of the irrigation fund.

The Exact Thing Required for Constipation.

"As a certain purgative and stomach purifier Chamberlain's Stomach and Liver Tablets seem to be the exact thing required, strong enough for the most robust, yet mild enough and safe for children and without that terrible griping so common to most purgatives," says R. S. Webster & Co., Udonia, Ontario, Canada. For sale by Condon Drug Co.

When you want a pleasant physic try Chamberlain's Stomach and Liver Tablets. They are easy to take and produce no griping or other unpleasant effect. For sale by Condon Drug Co.

In the case on trial last week in which H. C. Strickland was defendant in an assault and battery charge, the jury returned a verdict of not guilty. Later Mr. Strickland was rearrested on a charge of destroying property not his own but that case was compromised and dropped. Mr. Strickland paid for the damage done to the surveyor's transit, amounting to \$250.

No Poison in Chamberlain's Cough Remedy.

From Napier New Zealand Herald: Two years ago the Pharmacy Board of New South Wales, Australia, had an analysis made of all the cough medicines sold in that market. Out of the entire list they found only one that they declared was entirely free from all poisons. This exception was Chamberlain's Cough Remedy, made by the Chamberlain Medicine Company, Des Moines, Iowa, U. S. A. The absence of all narcotics makes this remedy the safest and best that can be had; and it is with a feeling of security that any mother can give it to her little ones. Chamberlain's Cough remedy is especially recommended by its makers for coughs, colds, croup and whooping cough. This remedy is for sale by Condon Drug Co.

Postmaster Reischer expects to move the postoffice from its present location to the commodious new quarters in his new brick building about December 15th. The postal business in this city has increased to a great extent during the past year and Mr. Reischer is anxious to get settled in his new quarters before the holiday rush of mail business begins.

You want a remedy that will counteract any tendency toward pneumonia.

You want a remedy that is pleasant and safe to take.

Chamberlain's Cough Remedy meets all these requirements and for the speedy and permanent cure of bad colds stands without a peer. For sale by Condon Drug Co.

Louie Comini, the marble man, shipped in a big car load of marble and granite blocks for his Condon shop last week and is now prepared to attend to all his Condon orders promptly. This shipment was delayed for several weeks because of trouble in securing a car from the N. P. railroad.

A strike of 300,000 coal miners is imminent on account of a threatened cut of 12 per cent in wages.
