

Congratulations.

Mr. John H. Collum, editor of the Garland, Texas, News, has written a letter of congratulation to the manufacturers of Chamberlain's Cough Remedy as follows: "Sixteen years ago when our first child was a baby he was subject to croupy spells and we would be very uneasy about him. We began using Chamberlain's Cough Remedy in 1887, and finding it such a reliable remedy for colds and croup we have never been without it in the house since that time. We have five children and have given it to all of them with good results. One good feature of this remedy is that it is not disagreeable to take and our babies really like it. Another is that it is not dangerous, and there is no risk from giving an overdose. I congratulate you upon the success of your remedy." For sale by Condon Drug Co.

Members of the city council are considering the proposition of securing an additional engine and pump to put to work in the Main street spring to further supplement the water supply until the new well is completed. If this is done the spring will be cleaned out and put in first-class condition and cemented to a point two feet above the street level no surface water or impurities of any kind can reach the water. When these precautions are taken it is believed the water will be perfectly pure.

Work on the city Water works is nearing completion. The main pipe lines are all in and the workmen have been employed this week putting in fire hydrants etc. The work of concreting the reservoir is progressing rapidly.

A number of Condon Odd Fellows went to Mayville Saturday evening to visit the lodge of that order there and to assist in the regular installation ceremonies.

A Prisoner in Her Own House.

Mrs. W. H. Layha, of 1001 Agnes Ave., Kansas City, Mo., has for several years been troubled with severe hoarseness and at times a hard cough which she says "would keep me in doors for days. I was prescribed for by physicians with no noticeable results. A friend gave me part of a bottle of Chamberlain's Cough Remedy with instructions to closely follow the directions and I wish to state that after the first day I could notice a decided change for the better, and at this time after using it for two weeks, have no hesitation in saying I realize that I am entirely cured." This remedy is for sale by Condon Drug Co.

The big mercantile firm of Lord & Co., leading merchant's of Arlington, report their business for the past year better than it has been since they engaged in business there almost 10 years ago. Found a Cure for Indigestion.

I used Chamberlain's Stomach and Liver Tablets for indigestion, and find that they suit my case better than any dyspepsia remedy I have ever tried and I have used many different remedies. I am nearly fifty-one years of age and have suffered a great deal from indigestion. I can eat almost anything I want to now.—Geo. W. Emory, Rock Mills, Ala. For sale by Condon Drug Co.
