

Congratulations.

Mr. John H. Collins, editor of the Garland, Texas, News, has written a letter of congratulation to the manufacturers of Chamberlain's Cough Remedy as follows: "Sixteen years ago when our first child was a baby he was subject to croupy spells and we would be very uneasy about him. We began using Chamberlain's Cough Remedy in 1887, and finding it such a reliable remedy for colds and croup we have never been without it in the house since that time. We have five children and have given it to all of them with good results. One good feature of this remedy is that it is not disagreeable to take and our babies really like it. Another is that it is not dangerous, and there is no risk from giving an overdose. I congratulate you upon the success of your remedy." For sale by Condon Drug Co.

While at Mayville the other evening the writer was informed by a well known bachelor, whose veracity is never questioned by persons who are not acquainted with him, that our present county commissioner, J. W. Dyer, is an aspirant for gubernatorial honors but with small chances of winning. Our informant stated that Judge Mattingly, who is recognized as a leader in the reform element in that precinct, has been busy grinding his battle axe and whetting his scalping-knife lately and that he declares that only death or total physical disability will prevent him from getting Dyer's scalp in the primaries. Mayville may always be counted on when it comes to furnishing first-class political sensations.

There will be a dance in the Alville hall Friday night, Jan. 26, to which everybody is invited. A basket supper will be served.

R. W. Johnson of Lone Rock was a visitor to town the later part of the week he was accompanied by his wife.

A Prisoner in Her Own House.

Mrs. W. H. Layton, of 1001 Agnes Ave., Kansas City, Mo., has for several years been troubled with severe hoarseness and at times a hard cough which she says "would keep me in doors for days. I was prescribed for by physicians with no noticeable results. A friend gave me part of a bottle of Chamberlain's Cough Remedy with instructions to closely follow the directions and I wish to state that after the first day I could notice a decided change for the better, and at this time after using it for two weeks, have no hesitation in saying I realize that I am entirely cured." This remedy is for sale by Condon Drug Co.

Miss Cleo Barnison, who has been stopping with friends in Condon for sometime, met with an accident Saturday evening which will keep her in doors for sometime. The accident is the result of a fall while riding the skates in the roller skating rink in this city. Her ankle was painfully sprained from which she has been suffering much pain.

The infant child of Mr. and Mrs. Charlie Rickard, died at the parents' home in the city Sunday, from an attack of whooping cough. Burial took place Monday afternoon in Mount Moriah cemetery.

Found a Cure for Indigestion.

I used Chamberlain's Stomach and Liver Tablets for indigestion and find that they suit my case better than any dyspepsia remedy I have ever tried and I have used many different remedies. I am nearly fifty-one years of age and have suffered a great deal from indigestion. I can eat almost anything I want to now.—Geo. W. Emory, Rock Mills, Ala. For sale by Condon Drug Co.

The infant child of Mr. and Mrs. C. H. Williams of this city died last Wednesday. The poor little infant's life was full of suffering. It was one of the twins born December 4th, having survived his brother until last Wednesday. Mr. and Mrs. Williams have the sympathy of this community.

S. B. Davis, a sheepman of Twickenham, recently sold his band of 1100 ewes to Garret Asher at \$4, 10 a head, says the Fossil Journal. Mr. Davis was offered \$6 an acre for his fine ranch of 1700 acres which he refused.

Chas. Martin, the young farmer of Olex, was in town last week. He has been dealing in mules lately with which he will farm his big ranch next year.

Cooke Bros. sold ten head of mules Saturday to Henry H. Vincent of the Walla Walla country. The price paid for the lot was \$1500.

Geo. Welshons and wife were in town last Saturday transacting legal business before Condon attorneys.

W. W. Steiwer, the Fossil banker, was a visitor to Condon the first of the week.
