"Hunt Makes The Price!"

"Hunt makes the price!" How often one hears that remark now-a-days. A year ago no one knew Hunt, but in the last eight months he has caused the people for fifty miles around to know him well and favorably because "Hunt makes the price!"

Barbed wire, poultry netting, nails, doors, windows, rubber roofing, stoves, ranges, hardware, graniteware, paints, oils, plows, harrows, disc drills, wagons, hacks, buggies, every and anything. — "Hunt makes the price!" Question: How much higher would prices be if he had not come to Condon? Question: Hadn't you better deal with him so he can afford to "make the price?"
