If a man walked up to you and put a dollar into your hand for a present, and wanted to continue coming that way wouldn't you encourage him to come again? Well, Hunt the Hardware Man has made may a dollar for the people using his kind of goods and is "coming again" to save them some more. Now, isn't it about the fair thing to encourage him in this laudable course by patronizing him a little bit. He is your money saver in hardware, stoves, ranges, cooking utensils, buggies, hacks, wagons, drills, harrows, plows and other good things in his line. Come in and see him, please.
