

**ADDITIONAL LOCAL**

C. E. Parly called at the office this week and took advantage of the Journal-Globe clubbing offer.

Williams the Jeweler has received his new safe from the East. It is one of the best on the market and will doubtless prove a great convenience to him.

W. Scott of Pondleton was visiting this week with his brother, John Scott of this city.

Mike Summers, who had the contract for digging the city ditch, stated last week that his part of the work was completed. Mike and his crew have worked faithfully and the work is well done.

Stephen Fletcher left on Tuesday's train for Walla Walla where he will visit for a few days with friends.

In last week's GLOBE it was stated that Jim Coney had moved his family to Condon. We wish to correct this error, it was Ed Coney.

J. E. Hunt has installed a new gas plant in his hardware store and is now able to light the building at a cost of \$1.50 per month. Condoites who have passed by the store recently have noticed that it is exceptionally well lighted and and one or two parties are expecting to install similar plants in their places of business.
