COURT CONDON, NO. 34, F. OF A. MEETS
Mondays evening of each month in Armory Hall lodge room. Visiting brothers are requested to meet with us. A warm welcome awaits you.
J. E. VAUGHN, F.S. W. W. OVERLANDER, C. R.

Condon Camp No. 26 W.O.W. meets in Armory Hall the first and third Thursday evenings in each month at 8:00. All visiting neighbors are cordially invited to attend.
W. B. KIRKLEY, Clerk.
W. F. ALLEN, Consul Commander.

It would be rather a difficult task to find twelve men in Condon who would convict a man of stealing coal when the thermometer registers 18 degrees below zero.

It was reported in the last issue of the Times that Senator Bowerman will introduce a "Pure Food Bill" at the present session of the State Legislature. The Times man has evidently made a grave error, for if Senator Bowerman is actually the author, it should more properly be called a "poor food bill."

There will doubtless be a bitter fight on the proposed new apportionment of legislative districts at the present session of the Legislature. The people of the interior counties are generally opposed to the new apportionment scheme as it would materially reduce their representation and increase the already large representation of Multnomah county in both houses of the Legislature.

We have often wondered just what there is about holding some dinky-dink political office that is often the means of making a man swell up like a poisoned pup. The smaller the office the greater the ambition and the fellow invariably keeps on bubbling up with importance until he is forcibly weaned from the public tit and made to rustle an honest living in the same manner as the friends who secured his election.

In looking over the field of presidential possibilities there is perhaps no active or receptive candidate for that high office who comes nearer representing the progressive element of the republican party than Secretary Taft. While believing in the sound principle of protection he is unquestionably of the opinion that there should be a change in the present tariff schedule. It is also generally understood that he is in full accord and sympathy with the President on every other important question of public interest. His public and private record is beyond reproach and his undoubted popularity makes him an ideal man for the republican nomination.
