He was not injured in any way except one ankle which was already lame and was badly sprained. After the horse was caught, John again got on him and rode a few minutes without being thrown but his ankle was too badly injured to permit him to ride and he had to dismount. John says he can ride him all day if he stands up.

BIG DAY IS OVER

Large Crowd Attends Celebration and All are Satisfied.

CONDON BALL TEAM WINS

is Victorious in Games with Both Clem and Mayville.

The three days' celebration was attended by the greatest number of people ever seen in Condon. People who live fifty miles away were here and all say they had a good time. The weather was on its good behaviour and everything went off without any trouble. Following is a program of the events and the winners of the prizes:

July 3, Afternoon.

Races: 1/4-mile dash—Purse \$25. Pay Day, owned by J. W. Hire, 1st; Captain General, owned by Loyd Rinehart, 2nd.

Three-eighths mile—Purse \$50. Cotton Nose, owned by Ed Baker, 1st; Rose Bud, owned by Arthur Madden, 2nd; Red Bird, owned by W. B. Kinsley, 3rd.

The first ball game of the series between Condon and Clem was pulled off immediately after the races and was won by the Condon team by a score of 6 to 0. It was an interesting game from start to finish and both teams played the best kind of ball. Rinehart pitched a star game. The special feature of the game was Mahaffey's long drive over left field which brought in three scores. The way Hagan stole bases showed that he had been there before. Following is the lineup and score:

CONDON		CLEM	
Rinehart	p	L. Ashenfelter	
Parker	c	Stinchfield	
Mahaffey	1b	Hyde	
Rice	2b	Ashenfelter	
Burns	ss	K. Welshons	
Page	3b	Titus	
Gray	lf	F. Welshons	
Jarvis	cf	Bates	
Hagan	rf	Cimmeyotte	

The foot races were held after supper and the crowd was so large that standing room was above par.

100-yard dash was won by Lester Beeson of Mayville.

50-yard dash was won by Arthur Beeson of Mayville.

50-yard old man's race was won by Frank Beeson of Mayville.

Three-legged race was won by Chester Titus and Jack Ashenfelter of Clem with Ed Merrifield and Hallie Rice a close second.

The Beesons are evidently a family of foot racers.

After the races the crowds amused themselves by shooting off fireworks and talking of past celebrations. A large number attended the dance at the skating rink.

July 4th, Forenoon.

The first event of the day was the music on Main street by the band which did very well considering that it was the first time the boys ever played together. At 10 o'clock the parade started from the pavilion and went north to Frazer street then down Main street and around to the pavilion again. The parade was not as large as it should have been owing to a lack of time to prepare the floats. The prize for the best float was awarded to the Gilliam Co. Bank. The exercises started

immediately after the parade with M. Fitzmaurice as chairman. After the invocation by Rev. G. W. Riggs, Mrs. J. F. Reischer sang "The Star Spangled Banner," the band played "America," Rev. E. Curran read the Declaration of Independence and Hon. W. R. Ellis, the speaker, of the day, delivered a genuine 4th of July speech.

The ladies drill was the first event of the afternoon. Seventeen ladies took part and it was well done considering the short time which they practised. Several of the horses were very prettily decorated and the drill was pronounced one of the best features of the celebration.

Races: Quarter mile, Purse \$50. Captain General, owned by Loyd Rinehart, 1st; Uncle Sam, owned by J. E. Downer, 2nd; and Captain General, owned by D. M. Rinehart, 3rd.

One-half mile. Purse \$200. Rosebud, owned by Arthur Madden, 1st; Red Bird, owned by W. B. Kinsley, 2nd; and Billy, owned by Ed Baker, 3rd.

The second game of the series between Mayville and Clem was the next event. The Mayville team won by a score of 13 to 8. The Clem boys went to pieces in the first two innings which accounts for Mayville's big score but after the second inning both sides played fine ball and the game was interesting. Mayville has quite a few heavy batters and it was their stick work that won the game. One of the special features was M. Welshons' long throw from right field to the home plate. Following is the lineup and score:

Mayville		Clem	
Vanise	p	K. Welshons	
Stinchfield	c	Crum	
Graham	1b	Chandler	
Griffith	2b	Ashenfelter	
Beeson	ss	Keeney	
Morgan	3b	Titus	
Anderson	lf	F. Welshons	
Miller	cf	Bates	
Rudolph	rf	M. Welshons	

The broncho riding contest took place immediately after the game. Alex Runyon, Sidney Seals, Ralph Gage and Walter Seals took part, and Alex Runyon won first prize and Walter Seals won second. The horses bucked hard and the contest was exciting.

After supper the Condon Hose Team ran against time and made a good showing. This was the last event of the day and after several selections by the band the crowds amused themselves by dancing, etc.

July 5th, Forenoon.

The first event was the boy's potato race which was won by Robert Fitzmaurice with Lester Thouvenel a close second.

The shoe and stocking race was won by Johnny Palmer.

Lester Thouvenel proved himself a master hand at eating pie and took first prize in the pie race. This was one of the most comical events of the celebration.

The sack race was won by Frank Maddock with Fred Edwards second.

The dust race was won by Frankie Kargl. When the dust cleared away and the boys got untangled he had eight nickels which was several more than any other contestant had.

Races: 1/4-mile, Purse \$100. Cotton Nose, owned by Ed Baker, 1st; Red Bird, owned by W. B. Kinsley, 2nd.

Consolation race: Purse \$75. Billy, owned by J. E. Stevens, 1st; Daisy, owned by W. B. Kinsley, 2nd.

The last ball game of the series was between Condon and Mayville and was won by Condon by a score of 11 to 3. Gray did the twirling for the Condon team and had the Mayville boys guessing all the time, only a few safe hits being made. Ashenfelter of Clem pitched for Mayville and was batted hard during the first part of the game. The feature of the game was Rice's spectacular catch back of second base. Page, Rice and Mahaffey made the fastest double play ever seen on the Condon diamond. Following is the lineup and score.

CONDON		MAYVILLE	
Gray	p	Ashenfelter	
Parker	c	Stinchfield	
Mahaffey	1b	Graham	
Rice	2b	Vanise	
Burns	ss	Beeson	
Page	3b	Morgan	
Hagan	lf	Anderson	
Jarvis	cf	Miller	
McArthur	rf	Rudolph	

Innings	1	2	3	4	5	6	7	8	9	Total
Condon	0	0	2	0	1	1	1	1	0	11
Mayville	0	0	1	0	1	0	0	0	0	3

After the game a matched race was run between Billy and Pay Day and was won by Billy by about two feet.

6:30 P. M.

The first event of the evening was the men's potato race. Fred Baker won first, Charles Hein of Mayville second and John Anderson of Mayville, third.

A married ladies' race was arranged and the first prize, three sacks of flour, was won by Mrs. Harrison and the second prize, one sack of flour was won by Mrs. Parks.

Leonard Gibbons and Robert Wehrli of Mayville gave an interesting exhibition of catch-as-catch-can wrestling. Gibbons won, throwing Wehrli two falls out of three.

The tug-of-war between Condon and the pick of the county was won by the County team.

This was the last event of the celebration and after a selection by the band the people separated to their homes to recuperate.

NOTES.

Horace McBride umpired the ball games and gave complete satisfaction in every way.

No trouble of any kind occurred during the three days and as far as can be learned no accidents.

The base ball team had their pictures taken after the last game and it is supposed that everybody will want one.

Tracy Lyons left Saturday morning for Vancouver where he will probably remain all summer.

Lightning struck and totally destroyed the house of W. J. Hildebrand in Ferry Canyon Thursday of last week.
