

## INTERESTING HAPPENINGS FROM CITY AND COUNTY

Nine cars of cattle left Condon Thursday morning. Mr. Carstein shipped five, N. Madden two, and Chas. Royce, two.

B. K. Searey returned last week from the upper waters of the Deschute. B. K. reports a great trip and brought back some fine specimen of trout and venison.

Merrifield, the Condon photographer, is to be at Caven's gallery in Fossil during the Caledonian Gathering. This will be a splendid opportunity for the people of Wheeler county to have their pictures taken by a first-class artist.

The Arlington-Condon train has again changed time. It now leaves Condon at 7:45 in the morning and arrives in Arlington at 10:30. Leaving Arlington at 12:45 in the afternoon, it arrives at Condon at 3:45 p. m. The local train on the main line, formerly known as the "Biggs Local", arrives at Arlington at 11:10 a. m. and this causes a wait of only 40 minutes where heretofore westbound passengers have had to wait from two to six hours. The east bound local arrives at Arlington at 12:30 p. m. making a wait of 15 minutes. The addition of the local train to Pendleton with the change in time is certainly a great boon to the people of this vicinity and those who live south of here as the waits in Arlington are practically nothing.

### Will Start Kindergarten School

Mrs. Dennis has moved into her new home, formerly the Pearl Jarvis property. It is her intention to establish a kindergarten which will open on the first Monday in November. Anyone wishing to avail themselves of this splendid opportunity of putting their little ones into careful hands for valuable training will please let her know at their earliest convenience. The hours will be from 9:30 to 11:30 A. M.

and from 1:30 to 3:30 P. M. The terms will be \$1 per week and the ages must be between 3 and 7 years.

After kindergarten hours she will take care of babies during the evenings and terms will be 12 1/2 cents per hour.

### Caledonians to Celebrate at Fossil.

Fossil Caledonian Club's grand annual gathering is to be held at Fossil this year on the 21st and 22d of October, and will be participated in by the grandest aggregation of talent ever brought together at an affair of this kind in Oregon. It will be an event of such splendid character that it will never be forgotten by those fortunate enough to be present.

Among the principal features will be: Songs by Prof. J. Adrian Epping, Portland's eminent baritone, whose "McGregors' Gathering" has thrilled thousands of hearts. Prof. and Mrs. Robertson will appear in Scottish dancing and Jacobite songs, in costumes. Jessie Pottage and Chas. Thompson will also appear in full Highland costume in Scottish dances. Pipe-Major McDonald, the biggest piper in the world, will do the bulk of the bagpipe playing and will be assisted by Piper Jock Bain.

Among the new talent will be Jamie Dick Murray, of the celebrated Player's Club of New York City, whose rendition of "Tam O'Shanter" has never been excelled.

A. H. Birrell, the Portland capitalist, has consented to steal a few days out of a very busy business life to give his fellow-countrymen at Fossil the benefit of his irresistibly funny Scotch songs and recitations.

Donald Mackay will recite. Judge Cameron, Oregon's next governor, will deliver the annual address. Miss Laurie Stanton and Mrs. W. D. Weaver, of Portland, with club, are to sing a number of classical Scotch songs. Each in his own inimitable style, Murray, Birrel and Coleman are

alone in their respective classes. Coleman also plays all the Scotch songs and dances on the violin.

Mrs. Robertson is to sing "Caller Herrin", in costume, and they say she does it like a real Stonehaven fishwife.

There will be two grand concerts and two grand balls.

Practically all of Condon and Mayville as well as a big delegation from Heppner are going. For further particulars see bills.

## Take Your Choice!

You must choose between the Plumber now or the Doctor later.

Millions of microbes have lain dormant in the drain pipes in your home all winter waiting to be hatched out by the first few days of real hot weather. Now here is the point—was that plumbing properly done?—if not right now is the time to see to it, for to put it off is tempting fate. It's cheaper and far more pleasant to pay a plumber's bill than a doctor's and undertaker's. Think it over, but not too long.
