Resolutions of Condolence.

Whereas; It has pleased Almighty God to take from our midst, our esteemed neighbor and musician, Ellen McArthur, and in view of the still greater loss sustained by those nearest and dearest to her,

Resolved, that it is a just tribute to the memory of the departed, to drape the charter of Wallula Circle No. 282 in mourning for a period of 30 days.

Resolved, that we, the members of said circle extend our heartfelt sympathy to the sorrowing husband and children, in this their sad hour of bereavement;

Resolved, that a copy of these resolutions be sent to the relatives and a copy be spread on the minutes of our circle.

Born to the wife of Dr. J. F. Wood, a baby girl, this morning.

J. S. Boyer, the proprietor of the skating rink who has been visiting with relatives and friends at his old home at Independence, Va., returned Saturday evening. He also visited in North and South Carolina and reports a very good time. Mr. Boyer would not have returned so soon but that he received word that the floor of the skating rink was in a bad condition on account of the damp weather and he is now fixing it. He will return to Virginia in the spring with horses.

The ladies of the Baptist church will render a literary program on Friday evening, Dec. 20th at the Armory Hall. They will also serve lunch after the program.

A Record Breaker—All Agree.

The GLOBE is growing more popular every day—the following persons who came to the office or sent in their names for renewal or new yearly subscription during the past week say the Globe is the newsiest and most reliable paper in Gilliam, they are—C. E. Purdy, F. E. Reynolds, A. J. McDaniel, W. H. Fehrenbacher, Walter Farrar, A. L. Lantis, Mrs. E. Case, W. F. Crowder, Mrs. M. Richmond, A. Greiner, Ola M. Gurly, Canby; J. W. Ashby, Baker City, W. T. Rinehart, Lemoore, Cal.

Local Banks in Good Standing

As may be seen by three bank reports in this issue, all the local institutions are in good financial condition. In fact the deposits in all the banks have increased by thousands of dollars since their last reports in August, indicating that the people of this city and throughout the county are placing great confidence in the local banking institutions.

News from Our Schools.

The registration at present is over two hundred.

John Richmond has removed his family to Condon and Mabel has entered school.

Forty-four books were added to our library this week so that we now have a very presentable library, containing one hundred and fifty volumes.

Many families are moving to Condon to take advantage of the opportunities offered by its public schools, and we have pupils from all parts of the county enrolled with us.

The teachers earnestly request the parents and patrons to take an hour and visit the school, believing that it would benefit all concerned.

Mrs. A. Case of Haines, Ore., arrived in Condon Tuesday night and is visiting her daughter, Mrs. J. C. Sturgill.

The County Court of Gilliam will convene on Monday, Dec. 16, says County Judge Dunn, providing the holidays are not continued by Gov. Chamberlain after the 14th.

We wish to call attention to a mistake in the statement of the Gilliam County Bank which appears on another page of this week's issue. The amount of undivided profits should be \$12,646.89 instead of \$12,446.89.

One hundred and fifty illustrated pamphlets of Condon and Gilliam county were sent this morning by the GLOBE to the Portland Chamber of Commerce where they will be distributed to persons looking for homes in the West; another lot was sent to Iowa. A few still remain at this office, get one and send it to some friend and thus aid in advertising Gilliam's great resources.

HEPPNER MURDERER

ARRESTED IN SPOKANE

Sheriff Shutt Goes for Prisoner—Ready to Pay \$500 Reward for Self-Confessed Slayer of Zaspell.

Word was received in Heppner on the afternoon of the 8th of December from Spokane to the effect that Webb McCaslin, the murderer of E. F. Zaspell, had been arrested in that place.

McCaslin admitted that he had killed Zaspell, but said he did it in self defense. Sheriff Shutt and A. T. McRoberts left immediately by team for Arlington to catch the night for Spokane. The Sheriff took along a draft for \$500, the reward for the murderer.

Manufacturer of Wagons and South Bend Watches. We don't sell the Wagons but we do sell the Watches to those who insist upon having them. We like to sell them for one reason, and yet we don't like to for another reason. The reason we like to sell them is because the margin of profit is much greater than on our higher grade watches, yet we would rather sell you a standard timepiece which we know would give entire satisfaction and make you our permanent customer. We sell more watches than any other dealer in the county for two reasons, the first is because we handle all the high grade movements, and never try to talk a customer into buying an inferior article, knowing that by so doing we not only lose his trade, but also his good will, and sacrifice our established reputation for square dealing and reliability. The second reason is expressed in a very few words, being nothing more or less than that our prices are about 25 per cent. lower than those of our competitors, regardless of their misleading assertions, and we are here to prove it to you. Our goods are marked in plain figures, and we have but one price to all. ROBINSON, Graduate Optician. Watch Inspector O. R. & N.

The above watches are just as represented and all warranted to give you entire satisfaction. They are all new movements and cases, just from the factory or no sale. These prices are not for bait or panic prices but you can buy at all times at the same price and we will be pleased to sell you. My motto is: Buy where you can save money, quality considered.
