WANT CONDON BRANCH EXTENDED SOUTH

As Far as the Buckhorn Country.

SAY IT'S TOO FAR TO HAUL CROP

Farmers in Southern Part of County Are Willing to Subscribe Freely.

A movement is on foot among some of the farmers of the Mayville and Buckhorn localities to try to have the Condon branch of the railroad extended to the Buckhorn country or at least as far as the Smith ranch on Thirtymile. They expect to circulate a subscription paper among the farmers of those sections and expect to raise at least \$2000. Several of the extensive farmers who would receive the largest benefit from this move have already promised large sums, Chas. Hein, one of the promoters of the movement, having promised at least \$200. Several others have subscribed \$100, and it is reported that they will have no trouble in raising the required amount.

Should this move prove successful even though the branch were extended only to the Smith ranch, it would be a great boon to those who live south of Thirtymile who now haul their products to Condon and they would be amply paid for the amount they subscribed by the raise in value of their land.

L. E. Searcy

L. E. Searcy died at The Dalles Monday morning from the effects of peritonitis. He had been sick for over a week and had been taken to The Dalles for an operation. The body was brought to Condon Tuesday evening and services, conducted by Rev. Riggs were held at the house under the auspices of the Foresters of America of which lodge Mr. Searcy was a member. Those of the Foresters who went to Arlington to meet the remains were Jas. Morphett, George Wasson, John Randall and Frank Moore. Burial services were held at the Mayville cemetery at 2 P. M. Wednesday. L. E. Searcy was born at Chico, Calif. in September, 1875 and came to Mayville with his parents when he was two years of age, living there until they later moved to Condon where he has lived until his death. He was a good friend, well liked by everyone and the news of his untimely death cast a shadow over the entire community. He leaves a wife, father and mother, brothers and other relatives to mourn his loss.

REV. G. W. RIGGS ACCEPTS CALL OF VALLEY CHURCH

Leaves in the Morning. Local Church Calls Rev. T. F. Murphy of Wisconsin.

Rev. G. W. Riggs has decided to accept the charge of the Congregational church at Park Place, a beautiful village across the Clackamas river from the picturesque grounds of the Willamette Valley Chautauqua Association, on the main line of the Southern Pacific and only a short distance from Portland.

In Rev. Riggs' leaving from the charge of the work of the Congregational church, Condon loses the strongest and most fearless pastor she has ever had. As a pastor he has put new strength and power into his church and has increased its membership; as a leader in his community, he has always worked in his tireless manner for the betterment of his town. His work in Condon, as the father of nearly all the different denominations, has been and is appreciated by all, and we join his many friends in wishing him success in his new field of labor.

The church has called Rev. T. F. Murphy, of Wisconsin, to fill the pastorate, who comes to this city with high recommendations. He is a graduate of Beloit College of that state and of the Chicago Theological College.

Rev. Murphy is expected to arrive this week to occupy the pulpit at both services Sunday.
