

NEWS OF THE WEEK

This office received the sad news this week of the death of Mrs. Walter May who died Sunday in Portland from heart failure. Mrs. May was well known in this community, having lived here with her husband. Mr. May is working in the Hotel Portland barber shop.

Mr. Murtha of Condon, passed through town the first of the week with a bunch of twelve horses which he bought in the Fox Valley and Monument countries.—Spray Courier.

T. T. Geer, candidate for the nomination of Congressman from this district, spent Saturday in Condon shaking hands with the voters.

You are invited to join an adult Bible class under the leadership of Rev. E. Curran, at the Congregational Bible school, next Sunday, at 10 a. m. Classes will be held for all ages from 5 years to 125.

J. C. Sturgill is a candidate for county school superintendent of Gilliam county. He will make a "none better" one.—Oregon Teacher's Monthly.

Among our political announcements this week will be found that of W. R. Ellis for Congressman from the 2nd district. Mr. Ellis is the present Congressman and has proven himself an able and conscientious officer in every way.

To the Editor:

In an interview that ex-senator Bowerman had with himself, as published in the "Joiner Times" last week, he made the statement that "if Hurlburt or his newspaper, the Globe, or any of the other channels through which he is circulating campaign matter," etc. I wish to state that I have not the honor of owning or controlling the Condon Globe. I have never written a word for the "Globe" or any other paper, except our regular advertisements, nor have I ever had any one else do so for me. Bowerman might be judging others from his own experiences, he may have been unfortunate in his associations with editors and newspaper men, and found it necessary to own or control them in order to gain their support. Or the editors might be the unlucky devil so situated that Bowerman could compel him to do his dirty work. In either case that class of support will never gain votes.

If Bowerman could only make the recording angel sit up and take notice of the—good—things he is paying to have published about himself, there would be nothing to it as to his future reward.

(Signed) F. T. HURLBURT.

Congressman Ellis should receive the renomination because his record in congress is that of faithful and honest service for the people and the interests of Eastern Oregon; because his membership in congress gives him an acquaintance and prestige which enhance his influence and usefulness beyond the possibility of any new man to attain; because he is far abler, broader and greater in statesmanship than he was when first sent to congress; because in conformity with approved customs he is entitled to another term, there being no complaint or charge against him in any respect.

STRAYED—One bay horse, branded half circle under JH connected, weight 1150 lbs. \$10 reward for information leading to return or whereabouts.

JACOB LARCH, Clem.

County Commissioner.
I hereby announce my candidacy for election to the office of County Commissioner, subject to the approval of the Republican voters at the primary election on April 17th.

C. W. MARTIN.
For Congress
I hereby announce myself as a candidate for nomination to the office of Congressman for the Second Congressional District.

W. R. ELLIS
To The Voters of the 28th Representative District:
An error made in preparing my petitions, discovered too late to correct, leaves my name off the official primary ballot. The only recourse left is to run as an Independent at the June election. This I have decided to do. Shall be pleased to consider ballots cast for me at the primary election as an endorsement of the action taken, and not as votes to nominate.

Am not allied with any existing faction and know of no reason why if elected, I should not cooperate with the district delegation to be elected in June concerning all matters that may subserve the interests of the people of this district as well as those of the state at large.
