

**NEWS OF THE WEEK**

A large number of people took advantage of the warm weather of last Sunday by going to Rock Creek and Thirtymile to spend several hours in the beautiful shady nooks along those creeks. The majority of the persons who enjoyed the time in angling the speckled beauties report excellent luck.

Ralph Froman returned home on Saturday from a trip in the Valley.

Steve Fletcher spent Tuesday fishing in Thirtymile and had the good luck to return with a real true fish story. Besides catching a large number of smaller trouts, he brought home a salmon trout measuring 27 1/2 inches in length. His catch surpasses anything in the line of speckled beauties caught this season.

Mrs. D. R. Parker entertained a few friends at her residence in West Condon on Tuesday evening. The pastime of the evening took on the form of a musicale in which nearly every one took part. Those present were: Misses Smith, Stephens, Brehaut, Irwin, Bartell, Mrs. Gavey, Mrs. Dennis, Messrs. Tracy, Parman and Robertson.

Chas. Bradbury, who has been visiting in Condon during the past month, left Wednesday morning for Portland with S. B. Barker, at whose home he will visit for a short time. Mr. Bradbury will then return to his home in Maine by the way of California and the Southern states.

Arthur Schilling left Tuesday morning for a few days visit in Arlington.

W. L. Barker returned Monday evening from an extended trip through Maine and Massachusetts where he visited with relatives. He reports a fine time but was afflicted with rheumatism while in the east which left him however as soon as he crossed the mountains on his way home.

Wm. Cooke returned Monday evening from Walla Walla where he has placed his thoroughbred colt in the hands of a trainer.

Thirty-mile is poorer by the sum of 97 fine trout since the visit last Sunday of Frank Golden, Mark Portwood, Geo. Weigel and Dr. B. F. Butler. It is reported that Weigel caught a 15 inch fish but it appears that some one stole it and George swears dire vengeance on the guilty party should he ever be found out.
