COURT CONDON, NO. 54, F. OF A. MEETS Mondays evening of each month in Attorney Hall judge room. Visiting brothers are requested to meet with us. A warm welcome awaits you.

We urge all farmers to be present if possible at the lectures on farming, stock raising, etc., which is further explained on our front page, to be held in Condon on Tuesday morning May 12th. The very worthy object of these lectures is to acquaint the farmer with the result of experiments held at the Oregon Agricultural College and to place him in possession of different facts in regard to handling the soil in the proper manner to produce the best results. Nothing is needed more in this county than these lectures and it will undoubtedly pay the farmer to lay off for half a day to be present. Don't forget the date, May 12th.

And then there will be doings in the presidential race, for everybody in it will accelerate the pace. The hoofs of Mr. Johnson will put up a cloud of dirt, and Mr. Bryan will put on a most terrific spurt. The presidential bee which has been up in Bill Taft's hat will be removed by Roosevelt from that high habitat; and when it seems the field behind imperils Teddy's bets, the bee will be slipped in the seat of William's trouserettes. Whereat the very earth will rock; And sod and bits of loam Will obfuscate the sky each time The sting is driven home; And while to all others' once They pass the grandstand twice Bill's T. and B. will blandly ask, "Whom shall we run for vice?"

A German specialist is ready to demonstrate that a fly, walking across a breakfast plate will leave in its footprints, 1,000,000 disease germs, representing eleven different diseases. All the more reason why we should use fly screens, fly paper and hot breakfast plates.

There comes a story from Maine of a girl who can speak several languages every time she goes into a trance, but we know a girl who is dreadful in one language while wide-awake.

A certain editor unburdens himself thus: The politician is my shepherd; I shall not want want for anything during the campaign. He leadeth me into the saloon for my vote's sake. He fillet my pocket with cigars and my glass runneth over with beer. He inquireth concerning my family even unto the fourth generation. Yea, even though I walk four miles through the mud and rain to vote for him, he straightway forgetteth me. Even though I meet him at his own house, he knoweth me not. Surely the wool hath been pulled over my eyes all the days of my life and I shall keep on being a fool forever.

To The Voters of 28th Representative District

An error made preparing my petitions, disclosed too late to correct, leaves my name off the official primary ballot. The only recourse left to run as an Independent at the June election. This I have decided to do.

Am not allied with any existing faction and how of no reason why if elected I should not co-operate freely with the district delegation to be elected in June concerning all matters that may subservise the interests of the people of the district as well as those of the state at large.

A COMMON MISTAKE. Many women mistake kidney and bladder troubles for some irregularity peculiar to the sex. Foley's Kidney Remedy corrects irregularities and makes women well. Miss Carrie Harden, Bowling Green, Ky writes "I suffered much pain from kidney and bladder trouble until I started to use Foley's Kidney Remedy. The first bottle gave relief, and after taking the second bottle I was entirely well." Condon Drug Co.
