COURT CONDON, NO. 54, F. OF A. MEETS Mondays evening of each month in Attorney Hall lodge room. Visiting brothers are requested to meet with us. A warm welcome awaits you.

Some of the papers in this district which are being run or paid to fight the independent candidates in the present campaign, forget that these men are too well known throughout this district for their dope sheets to have any effect. They have been trying to create the impression that J. E. Burdett, who is an independent candidate for district attorney, is not qualified for the office. Why do they do this? Perhaps they see that Mr. Burdett is gaining ground among the republican voters of the district and has been endorsed by the democrats who are aware that he will fulfill the requirements of that office as stated in his announcement, and that he is in every way fully competent of properly discharging the duties of the office in question.

One of the matters we would like to support with a score of votes is the proposition to change the state and county election to the first Tuesday in November. It would put us in accord with elections in other states and it would save the expense of an extra election. There could be no loss and it would save the state thousands. But it would cut out a horde of election grafters.

Announcement of W. J. Edwards on a Statement No. 1 Platform.

I hereby announce myself as an independent candidate for the office of Joint Senator for the Eighteenth Senatorial District, comprising the counties of Gilliam, Sherman and Wheeler, for the election to be held on June 1, 1908.

If elected I will, during my term of office, work faithfully for the best interests of all the people all the time. I have faith in the people, and believe in the will of the people, and therefore, during my term of office, if elected, I will always vote for that candidate for United States Senator who has received the highest number of the people's votes for that position, at the general election, next preceding the election of a Senator in Congress, without regard to his politics, or my individual preference. I am not allied to any clique, combination or faction, and I desire that the people shall say whom I shall vote for for United States Senator.

I solicit the votes of the people of all parties who believe in Statement No. 1; or in other words, of all voters who believe in "Government of the people, by the people and for the people."

Announcement.

The undersigned hereby announces to the voters of Gilliam county that he is a Statement No. 1 candidate at the June election on the democratic ticket for joint representative for the 28th representative district comprising the counties of Gilliam, Sherman and Wheeler. If elected I will during my term of office work faithfully for the best interests of all the people. I have faith in the people and believe in

the will of the people and, therefore, during my term of office if elected, I will always vote for that candidate for United States Senator who has received the highest number of the people's votes for that position at the general election next preceding the election of a United States Senator without regard to his politics or my individual preference. I am not allied to any clique, combination or faction, and I desire that the people should say whom I should vote for for United States Senator. I solicit the votes of the people of all parties who believe in Statement No. 1, in other words of all voters who believe in government of the people, by the people and for the people.

W. F. JACKSON.

Announcement of James E. Burdett for District Attorney for the Eleventh Judicial District.

I hereby announce myself as an independent candidate for the office of District Attorney for the Eleventh Judicial District comprising the counties of Gilliam, Sherman and Wheeler for the election to be held June 1, 1908.

If elected I will during my term of office work faithfully for all the people, I will wage war on criminals, friends and foes alike, without regard to politics, position or station in life.

As to my qualifications, I will say that I am a graduate from the law department of the University of Michigan at Ann Arbor, graduating in 1903 and have been engaged in actual practice ever since that time.

I am not allied to any clique, combination or faction of any kind or sort, but am independent in the fullest sense of the word.

I solicit the votes of the people of all parties who believe in a "Government of the people, for the people and by the people" and hereby pledge myself to carry out the wishes of the people, if elected.

JAMES E. BURDETT.

To The Voters of the 28th Representative District:

An error made in preparing my petitions, discovered too late to correct, leaves my name off the official primary ballot. The only recourse left is to run as an Independent at the June election. This I have decided to do.

Am not allied with any existing faction and know of no reason why if elected I should not co-operate freely with the district delegation to be elected in June concerning all matters that may subserve the interests of the people of this district as well as those of the state at large.

WM. J. MARINER.
