COURT CONDON, NO. 5, F. OF A. MEETS Mondays evening of each month in Attorney Hall, lodge room. Visiting brothers are requested to meet with us. A warm welcome awaits you.

As the campaign draws to a close the strength of the nominees on the state Republican ticket becomes more and more pronounced and the popularity of the candidacies of Hon. H. M. Cake, of Portland, and of Hon. W. R. Ellis, of Pendleton, is growing to such an extent as to cause alarm in the ranks of the opposition. When the battle of the ballots is over next Monday night the Republican ticket will have received one of the hand-somest majorities ever recorded in the political annals of the state. In this splendid victory Gilliam county will have had a glorious part.

Among the initiative measures to be voted upon next Monday is one for the creation of a new county out of the territory of Wasco county, to be known as Hood River county. Since the people of Wasco county are willing that the new county should be formed and that the people of the Hood River country will assume the burdens and responsibilities connected with its creation, the measure will naturally receive a big vote. There is no opposition to the bill and even The Dalles which in former years fought the movement for the creation of a new county is now favorable to it. Vote, Yes.

Announcement of W. J. Edwards on a Statement No. 1 Platform.

I hereby announce myself as an independent candidate for the office of Joint Senator for the Eighteenth Senatorial District, comprising the counties of Gilliam, Sherman and Wheeler, for the election to be held on June 1, 1908.

If elected I will, during my term of office, work faithfully for the best interests of all the people all the time. I have faith in the people, and believe in the will of the people, and therefore, during my term of office, if elected, I will always vote for that candidate for United States Senator who has received the highest number of the people's votes for that position, at the general election, next preceding the election of a Senator in Congress, without regard to his politics, or my individual preference. I am not allied to any clique, combination or faction, and I desire that the people shall say whom I shall vote for for United States Senator.

I solicit the votes of the people of all parties who believe in Statement No. 1; or in other words, of all voters who believe in "Government of the people, by the people and for the people." W. J. EDWARDS.

### Announcement.

The undersigned hereby announces to the voters of Gilliam county that he is a Statement No. 1 candidate at the June election on the democratic ticket for joint representative for the 28th representative district comprising the counties of Gilliam, Sherman and Wheeler. If elected I will during my term of office work faithfully for the best interests of all the people. I have faith in the people and believe in

the will of the people and, therefore, during my term of office if elected, I will always vote for that candidate for United States Senator who has received the highest number of the people's votes cast for that position at the general election next preceding the election of a United States Senator without regard to his politics or my individual preference. I am not allied to any clique, combination or faction, and I desire that the people should say whom I should vote for for United States Senator. I solicit the votes of the people of all parties who believe in Statement No. 1, in other words of all voters who believe in government of the people, by the people and for the people.

W. F. JACKSON.

Announcement of James E. Burdett for District Attorney for the Eleventh Judicial District. I hereby announce myself as an independent candidate for the office of District Attorney for the Eleventh Judicial District comprising the counties of Gilliam, Sherman and Wheeler for the election to be held June 1, 1908.

If elected I will during my term of office work faithfully for all the people, I will wage war on criminals, friends and foes alike, without regard to politics, position or station in life.

As to my qualifications, I will say that I am a graduate from the law department of the University of Michigan at Ann Arbor, graduating in 1903 and have been engaged in actual practice ever since that time.

I am not allied to any clique, combination or faction of any kind or sort, but am independent in the fullest sense of the word.

I solicit the votes of the people of all parties who believe in a "Government of the people, for the people and by the people" and hereby pledge myself to carry out the wishes of the people, if elected.

JAMES E. BURDETT.

To The Voters of the 28th Representative District:

An error made in preparing my petitions, discovered too late to correct, leaves my name off the official primary ballot. The only recourse left is to run as an Independent at the June election. This I have decided to do.

Am not allied with any existing faction and know of no reason why if elected I should not co-operate freely with the district delegation to be elected in June concerning all matters that may subvert the interests of the people of this district as well as those of the state at large.

WM. J. MARINER.
