

## CONDON TO HOLD CELEBRATION

Market Days Will Be Main Feature.

THREE BIG GLORIOUS DAYS

Local Business Men Contribute Generously to Celebration Fund—Fourth of July, a Day of Sports and Games

Condon will commemorate the anniversary of the nation's birthday and the celebration for which plans were definitely made Wednesday evening, promises to be the most elaborate yet undertaken by the business men of the town. The festivities will include three glorious days, July 2, 3, and 4th. Thursday and Friday are to be known as "Market Days" and Saturday the exercises incident with the Fourth will be held in a glorious and patriotic fashion.

From all sections of Gilliam county and adjoining country, ranchers, stockmen and farmers are making preparations to spend the three festal days in Condon. Present indications point to the fact that the largest crowd that ever gathered in this city will be here to attend the sale days and to give vent to their patriotism on the Fourth.

The soliciting committee has met splendid success in its work of raising funds to defray the expenditures of the celebration. Some of the business firms may increase their original contributions and others who had not made up their minds to assist have since decided to help generously. At a meeting of the business men held at the council rooms Wednesday evening and presided over by Mayor Farnsworth, the committee machinery was set in motion and a board of general managers consisting of M. O. Clarke, H. W. Pauling, and A. Willoughby was chosen.

The great feature of the celebration will be the "Market Days" because they will be of interest and profit to the farmers, stockmen, and ranchers, alike. These sales have proven popular wherever they have been held. At La Grande, Pendleton and The Dalles the success of these sales has been unqualified and Condon is to inaugurate them in connection with the festival on Independence Day. Anything from a pound of butter to a band of horses will be sold at public or private sale free of charge to the owner. To insure satisfaction to seller and buyer, the management will conduct the sales under certain rules. Besides the public and private sales, the Condon merchants have agreed to offer certain articles in their stores at cut-prices and will offer exceptional bargains.

### Declare County "Dry."

At a session of the County court held yesterday, an order was made declaring the result of the recent election and prohibiting the sale of intoxicating liquors throughout Gilliam county, after midnight June 30, 1908.

According to the provisions of the local option law, the county court is compelled to declare the result of the election 11 days after the general election, or as near thereafter as practicable.

### City Fathers Meet.

At the meeting of the city council held June 8, only routine business received the attention of the city fathers. The session was called to order by Mayor Farnsworth and the following officers answered the roll call: Councilmen—P. N. Stephenson, J. W. Hire, J. C. Hardman, R. E. Myers, Recorder, C. H. Horner, and Marshal, L. B. Townsend. The proposition made by J. A. Richmond to rent the pasture on the east side of the city farm for \$60 for the season was accepted. The resignation of J. C. Hardman, as councilman, was also accepted. He expects to be away from Condon. The regular monthly grist of claims against the city amounting to \$311.24 was read and warrants ordered drawn for the respective amounts.

### Pioneer Passes Away.

Another noble pioneer woman, Mrs. Theresa E. Zachary, aged 74 years, has joined the silent majority. She passed away at her home in Fossil, June 3 1908, after an illness of eight months.

Mrs. Zachary's maiden name was Theresa E. Brown. Accompanied by her parents, Orris and Tabitha Brown, she blazed the Oregon trail from "Old Missouri" and reached the Willamette Valley in 1846. The Browns first settled at Oregon City and later removed to Forest Grove, where "Grandma Brown," as she is affectionately remembered in the Washington county town, founded the school which has become known as Pacific University. Theresa Brown was married to John R. Zachary in 1851, Rev. Harvey Clarke her grandfather, officiating. The couple moved to Fossil where they made their home and did their part in promoting the development of that section of the country. Mr. Zachary died in 1896. He took an active part in the Cayuse Indian war and was a member of the party that rescued the prisoners of the Whitman massacre. The Zacharys were blessed with twelve children, nine of whom are living. The surviving children are: Robert, George, Clarence, William, and James Zachary, all of Fossil; Ed and Dell Zachary, of Douglas county, Or.; Mrs. Eva Thompson of Spokane; Mrs. A. Mires of Republic, Wash.

For more than half a century, Mrs. Zachary had been a member of the Methodist church. The funeral was held last Thursday afternoon and the remains of the pioneer woman were laid to rest in the I. O. O. F. cemetery in the presence of a large number of friends and neighbors who gathered to pay tribute to the memory of an estimable and worthy life.

Bring in your stock and produce for the Market days. Be sure to read announcement elsewhere in this paper.

County Judge Dunn, Dr. Wood and Steve Couture have returned from Portland where they were in attendance at the Democratic state convention. They report a royal good time at the love feast.

Mr. and Mrs. Mahaffey returned to Condon last evening to make their home. Mr. Mahaffey has been replaced as conductor on the Condon Flyer, after having been on duty on the main line for the past three months.

### Repairing Damage done by Fire

As the result of the damage caused by a blaze because of the sudden ignition of the head of a match which he had struck a little while before, Tom Johnson has had his dwelling renovated the past week. Last Friday, Tom who was busy about the house, struck a match the head of which flew off and alighted on a rug near by. Such experiences are common and Mr. Johnson paid no attention to what had happened and went out in the kitchen when he was startled by the crackling of fire, and reminded of what had taken place. Before he could subdue the flames, damage to the extent of more than \$60 had been done.
