COURT CONDON, NO. 54, F. OF A. MEETS Mondays evening of each month in Armory Hall lodge room. Visiting brothers are requested to meet with us. A warm welcome awaits you.

Each passing day brings the great Fourth of July celebration nearer and the work of the advertising committee becomes more and more valuable as the opening date of the big event draws near. This week the local merchants sent broadcast throughout the county hundreds of circulars announcing the general program of the three days' festivities and the special bargains that will be offered to the buying public. The business men are working harmoniously and will do all in their power to give the visitors of the "Wheat City" a pleasant and profitable stay while in Condon.

After a term of four years as editor of the Grange Bulletin and state lecturer for the Oregon Grange, Mrs. Clara H. Waldo has retired to take her place among the humble workers of the organization to which she is zealously devoted. The value of the work accomplished by Mrs. Waldo is fully appreciated by the membership of the Patrons of Husbandry. By word of mouth and pen, the retiring state lecturer of the Oregon Grange, has for four years done valuable service to the cause of popular education in this state. She has visited nearly every grange in Oregon and has been much in demand as a speaker at educational gatherings.

"It is predicted," says a Chicago periodical, "that after Wm. J. Bryan is nominated at Denver, he will not have a single daily newspaper to support his candidacy and that the World, the Times, the Hearst papers, the Sun, and the Brooklyn Eagle will be against him." Well, Mr. Bryan has done without a number of these big dailies in his former campaigns and he probably will not miss them in this contest. The World and the Brooklyn Eagle have always opposed Mr. Bryan but supported Judge Parker in his race for the presidency. The Hearst papers will support the nominees of the Independence League.

There's no use worrying about crop prospects, and that the town has gone dry. Things and conditions will eventually adjust themselves and promote the growth and prosperity of the home town. Cheer up and look pleasant! Stand up and yell for Condon!

Another scientist has come forward with the announcement that the sun is gradually cooling off and that posterity will freeze to death; but it is very difficult to be much impressed with such prognostication when the summer and the iceman are both here.

Attention is called to the fact that no improvement has been made in fish hooks in 200 years. The same is true of fish stories.

Tell it to your neighbor; ask him to pass it on—"Condon will celebrate the Fourth."

Carrie Nation says that she will not pay any more fines. Can it be inferred from this statement that she has decided to retire from business, or to reform?

Mrs. S. L. Bowen of Wayne, W. Va. writes: "I was a sufferer from kidney disease, so that at times I could not get out of bed and when I did I could not stand straight. I took Foley's Kidney Remedy. One dollar bottle and part of the second cured me entirely." Foley's Kidney Remedy works wonders where others are a total failure. Condon Drug Co.
