## THE GLORIOUS FOURTH

With the noise of sporadic bombs and refulgent rockets streaming through the blue empyrean, Condon's festivities for the commemoration of the anniversary of the nation's natal day were ushered in last night. Today everyone is a conformist

and the youngsters are busy fulminating the many nerve-racking devices incident with a glorious old-style celebration.

Condon has put on its best bib and tucker and "Old Glory" floats proudly from stores and residences. Yards of tri-colored

bunting have been used advantageously in the general decorative scheme. As a whole Condon is responding generously to the demands of the occasion.

The first of the market days was held yesterday. While the bidding was not so spirited as it

might have been, a number of sales were made. There was a good crowd on hand but it wasn't in a buying mood. The stores, however, report good business. A large number of excursionists arrived on last evening's train.
