How is Gilliam county going to respond? Will it be ready to welcome the hosts of Easterners; Southerners and Northerners who will be coming to Oregon because of the special railroad rates. Special one-way tickets from all points in the United States to any point in Oregon will be sold beginning September 1st and continuing until October 31st. "Your community can get more than its share of the new comers, with a little effort," writes Tom Richardson, manager of the Portland Commercial club, in his special correspondence to the newspapers of the state.

The joke of it all is that The Back-Number, surnamed the Times, had to swallow a pill the day it printed the weather report giving the maximum temperature reached in July at 93 degrees after contending that it was 104.

The crop knocker's voice is not heard these days. It has been stilled by the song of the soaring lark, singing of 83-cent wheat.

Asleep and sleeping—our side-street contemporary.

The O. R. & N. Special rates between the North Beach resorts and every railroad points on the Harriman system; from Condon the fare is \$12. Inquire of agent for further particulars.
