

Portland Business College

"THE SCHOOL OF QUALITY"

Tenth and Madison, Portland, Oregon A. P. Armstrong, L.L.B., Principal
 We occupy two floors 65 by 100 feet, have a \$20,000 equipment, employ a large faculty, give individual instruction, receive more calls for office help than we can meet. Our school admittedly leads all others in quality of instruction. It pays to attend such an institution.
 Said a Business Man: "Keep hammering away everlastingly on thorough work. It will win out in the end." Said an Educator: "The quality of instruction given in your school makes it the standard of its kind in the Northwest."
 Open all the year. Students admitted at any time. Catalogue free. References: Any bank, any newspaper, any business man in Portland.
