

Portland Business College

"THE SCHOOL OF QUALITY"

Tenth and Morrison, Portland, Oregon. A. P. Armstrong, LL.B., Principal. We occupy two floors 65 by 100 feet, have a \$20,000 equipment, employ a large faculty, give individual instruction, receive more calls for office help than we can meet. Our school admittedly leads all others in quality of instruction. It pays to attend such an institution. **Said a business man:** "Keep hammering away everlastingly on thorough work, you will win out in the end." **Said an educator:** "The quality of instruction given in your school makes it the standard of its kind in the Northwest." **Open all the year.** Students admitted at any time. Catalogue free. **References:** Any bank, any newspaper, any business man in Portland.

ORGANIZE ATHLETIC CLUB

May Build Club House—Teams Start Practicing.

Two athletic meetings have taken place within the past week and those interested in athletics are working hard to effect an organization that will last, not only this winter, but for years to come. The organization is not completed but will be soon and should their plans be successful the club will in the near future build a substantial gymnasium and club house which will be a credit to Condon. They will probably rent a building for the present. The football and baseball teams which are to play at Mayville on October 8th and 9th have been organized and will start practicing immediately.

Dr. Joseph Sanders, the veterinarian surgeon, has his headquarters at Pauling's Drug store and will answer all calls.
