SPLENDID COMPANY AT LOCAL PLAY HOUSE

Newspapers and Critics Say Pavilla Comedy Co. Gives Splendid Entertainments.

The Pavilla Comedy Co. will play at the opera-house for three nights—Saturday, Sunday and Monday. They come well recommended and the press reports are complimentary to the organization and its work.

An exchange from Etna Mills, Calif., has this to say regarding the company's exhibition there:

The Pavilla Comedy Co. which showed in Etna last Friday and Saturday nights drew large crowds each evening and the audiences have only words of praise for the company's performances.

Without doubt they are the best show troupe that has been in Etna for many a day, and the citizens of this community were more than surprised to see such good show off the railroad. Each and every member of the company are up-to-date, in their respective specialties and are general all-around good performers. Nobody need feel that they go to see a bum show, when they go to see the Pavilla Company. They are all respected ladies and gentlemen and will make friends wherever they may go.

Horace McBride, who has been at Shoshone and other Idaho points during the summer, returned to this city Wednesday evening. He reports that E. G. Merrifield who now lives in Shoshone is getting along very well.

WHY CONDON PROPERTY IS A GOOD INVESTMENT

There are no rival towns near and all the best tillable lands in Gilliam County are in the vicinity of Condon.

It is almost an assured fact that WITHIN TWO YEARS we will have a system of electric lines from this point to various parts of the country, South and West of here.

There is no town in this state that is a county seat and has the prospects of being one of the best school towns, and other natural advantages, where business and residence property can be purchased at such LOW PRICES as existing here.

CONDON has never had such prospects of becoming a town of importance as at the present time and lots are sure to DOUBLE IN VALUE within 12 months.

I am back at the old stand, for terms and prices, call and see me.

SUICIDE AT PINE RIDGE

Mrs. Rose found dead with bullet hole in temple.

The Pine Ridge neighborhood was stirred Monday morning by the sad news of the death of Mrs. Bert Rose which happened sometime between ten o'clock Sunday night and six o'clock Monday morning. Mr. and Mrs. Rose had been in Condon all day Sunday and returned home in the evening, reaching there about ten o'clock. The couple then retired for the night, Mr. and Mrs. Ben Stevens also slept in the house Sunday night. When Mr. Rose awoke on Monday his wife had disappeared and arising to search for her, he found her behind the barn with a bullet hole over the right temple.

W. A. Darling, the coroner, was immediately notified and upon his arrival on the scene, a jury was empaneled consisting of F. B. Stevens, A. S. Hollen, H. N. Anderson, Frank Hollen, J. W. Harrison and A. F. Murphy. The body of the young woman was found with the revolver still tightly clasped in the right hand and this together with other evidence pointed to a verdict of suicide and such was brought in by the jury.

It appears that Mrs. Rose got up, took the key to her husband's trunk from his trousers' pocket, unlocked the trunk and got his revolver and went to the barn where the deed was committed. A note was found later, written by Mrs. Rose and addressed to her husband which seemed to establish beyond a doubt that
