### WHY CONDON PROPERTY IS A GOOD INVESTMENT

There are no rival towns near and all the best tillable lands in Gilliam County are in the vicinity of Condon.

It is almost an assured fact that WITHIN TWO YEARS we will have a system of electric lines from this point to various parts of the country, South and West of here.

There is no town in this state that is a county seat and has the prospects of being one of the best school towns, and other natural advantages, where business and residence property can be purchased at such LOW PRICES as existing here.

CONDON has never had such prospects of becoming a town of importance as at the present time and lots are sure to DOUBLE IN VALUE within 12 months.

I am back at the old stand, for terms and prices, call and see me.

### WEDDING BELLS RING.

Cupid has formed a partnership! In Condon, too! And the queer thing about it all, is that he has selected Justice of the Peace Wheir as his junior partner, at least this is the current report on the streets. It appears that the report is true. Hasn't he made six hearts glad and started three couples on the road to happiness. Well, Judge, keep up the good work!

### Monroe-Follett

An impressive ceremony took place at the home of Mr. and Mrs. Archie Ferguson Tuesday September 29th when the lives of Maud Follett and Marcus Monroe were united in marriage by Justice of the Peace E. Wheir.

The ceremony was witnessed by a number of the relatives of the contracting parties. The newly married couple will make their home in Ferry Canyon where they have lived for a number of years and where they are very popular. They will make their home on the Fitzwater ranch. The Globe joins their friends in wishing them much happiness through life.

### Welshons-Yancey.

Judge E. Wheir tied another nuptial knots last Wednesday evening when Frank Welshons and Wilma Yancey were married at the Wheir residence in this city. Only a few relatives were present at the ceremony. The young people are well known in Clem where they have resided for some years and also in Condon. Mr. and Mrs. Welshons returned to Clem Thursday morning where they will make their home. Their friends are extending congratulations.

### Brandon-Brown

In the parlors of his cozy residence at seven o'clock last evening, Judge E. Wheir officiated at the marriage of J. C. Brandon and Miss Edna E. Brown, in the presence of relatives and friends. The bride was attended by her sister, Miss Brown, while Roy Bear was best man. Mrs. Brandon is well known in this vicinity and The Globe joins her many friends in wishing her joy and happiness in her new Malheur county home. Mr. Brandon owns a fine stock ranch. The newly married couple leave in the morning for their home at Watson, Ore.

with earnestness eulogized the great church of which he is a member. He said that from the beginning the Catholic church had been the custodian of the Bible. He too, spoke with optimism of the institution's future, and expressed his appreciation of the work that had been done by the Sisters.

Among those in attendance were Mother Superior Angela, of Seattle; Sister Baptista, Superior of St. Thomas Aquinas school; and Sister Mercedes, her assistant.

Imbedded in the corner stone, was a metal box containing coins commemorative of the event and a document reciting the program and other matters connected with the ceremonies.

The text of the document is as follows:

In the year of Grace 1908 on Sunday Sept. 27, in the city of Condon, Gilliam county, State of Oregon, with solemn ceremony, according to the ritual of the Catholic Church, the corner stone of St. Thomas Aquinas Academy was laid in the presence of a large concourse of people. This institution was erected to the Glory of God and the diffusion of Christian education. The institution will be conducted by the Venerable Sisters of St. Dominic of the city of New York who opened a school in Condon September 17th 1906, using the little parish church as a school house. The first year there were fifty pupils in attendance, in 1907 there were seventy in attendance. The Sisters in charge of the institution will be qualified to teach all the branches of an elementary academy and liberal education. The Sisters teaching in Condon at present are Sister M. Baptista Phelan, Sup.; and Sister M. Mercedes Sheridan; and present for the ceremony of laying the corner stone were: Sister M. Angela Phelan, Prov. Sup.; and Sister M. Nolasca Mulholland, Prov. Secretary.
