ELLIS TO WORK FOR RIVER

Expects, However, There Will be Little Local Legislation.

Representative and Mrs. Ellis arrived in Washington D. C., last week. Mr. Ellis does not expect much local legislation this winter aside from river and harbor appropriations, but is prepared to devote himself to the interests of the Columbia river. He hopes to secure enough money to complete the jetty at the mouth of the river, and has strong hopes that other recommendations of the engineers will be carried out. Special effort will be made to have the Celilo canal placed under the continuing contract plan.

Mr. Ellis says there is no hope for the bill dividing Oregon into two judiciary districts until there is a change in the house judiciary committee which has flatly declined even to grant consideration of Fulton's bill now before them.

They were given a hearing before Justice Collins, charged with larceny of a dwelling, and plead guilty. Justice Collins placed them each under $500.00 bonds and they were brought to Condon by Marshal Sweetin and lodged in the county jail.
