Condon Defeats Clem

Last Thursday evening at the gymnasium, the Condon Athletic Club defeated the fast Clem five in the first game of basket ball this season. The game was hard fought and interesting throughout. The lineup:

Laughridge	c	Jost
Fitzmaurice	f	Welshons
Taylor	f	Cimmyotte
Parman	g	McPherson
Sturgill		
Smith	g	Phillips

Laughridge and Fitzmaurice made the points for Condon and Welshons and Jost did the star work for Clem. Umpire A. E. Machey did fine work and Referee Schroeder did his part exceptionally well. Laughridge's playing was the feature of the game.

Two other games were played, one by the High School girls and the other between the High School and the Eight grade girls the latter game resulting in a victory for the High School.

Between the halves of the different games, the Wheat City Orchestra played several selections to the delight of everyone present. This organization although still young play like "old timers", and everyone who attends the dance tonight, although they may not wish to dance will be sure to get their money's worth in good music.

They may tell you how large a stock they have but if you look around you may find they have lied to you and if they will lie about the size and quality of their stock what will they do to you in a business deal?
