Venezuela's navy is now reduced to a sand scow and two coal hoppers.

Tom Platt is writing a book. If he tells all he knows it will be among the six best sellers.

A Boston couple love each other, but can't live together. She says he's a splendid man. He says she's a fine woman a good housekeeper. Still they can't live together. Anybody got a remedy for cold feet?

Loss of memory seems to be one of the qualifications for advancement in the service of the Standard Oil Co. Archbold never forgot to forget.

Dynamite is not the only thing that has been exploding over the Panama Canal.

We wonder if Mr. Taft will be able to call the turn on vice, business immorality and general bad citizenship in so many and such varied terms as his honored predecessor.

Don't forget that it is the duty of every reader of this paper to write to some friend at a distance and tell him of the advantages of Oregon both as to climate and production. Remember that the people of the older states, where the weather is cold, are hovering around the fire and have lots of time to read. Get busy.

The Pacific Monthly has organized a progress department, to begin with the January number. It is the purpose of this department to condense original items which will interest prospective homeseekers or investors in Oregon. The editor of this department has requested this paper to state that he would especially appreciate letters direct from producers giving facts which would be of interest to intending homeseekers.

1909 will be the travel year for the Pacific Northwest. The most advantageous rates are made in this direction. All of the great railroads of the country are going to bend their efforts toward presenting the resources of this portion of the United States throughout the East, Canada and Europe. The Portland Rose Show and the Alaska-Yukon-Pacific Exposition will be two important features and railroad men in all the large centers of population predict an enormous travel.

If you will take Foley's Orino Laxative until the bowels become regular you will not have to take purgatives constantly, as Foley's Orino Laxative positively cures chronic constipation and sluggish liver. Pleasant to take. Condon Drug Co.

The Christmas number of the Condon Globe is a good one and shows that Condon is a prosperous town.—Heppner Gazette.

The Condon Globe issued last week an attractive Christmas number of 14 pages, replete with illustrations and bright, conservative, writeups of the Wheat City and Gilliam county in general. It reveals the mighty changes that have taken place in that section of the Oregon wheat belt, from 1892 when Condon was a mere stage post, to the Condon of today, the largest primary grain shipping point in the United States. Such an edition will assist in turning the tide of immigration toward that section of the state.—Washington County News.

AT PASO ROBLES HOT SPRINGS
Among the many charming stopping places in California is Paso Robles Hot Springs.

Here are conditions ideal for restful recreation; quiet, congenial surroundings and modern, almost luxurious accommodations.

Paso Robles Hot Springs is a Winter Resort hotel with the hospitality of a home; a healing Spring without the atmosphere of a sanatorium; an enchanting country place with the conveniences of a great resort.

Ask any O. R. & N. Agent for illustrated booklet, "Paso Robles Hot Springs."

Sometime and somewhere out at space, DAN opened a SECOND HAND PLACE. This place was opened grand and neat in a building on MAIN STREET. He no doubt thought it would be grand to always have at the public's command Everything the people like, Even to a second handed bike.

Many other things he has embarked, Some things that came from Noah's Ark. I have old Cupboards and old Stoves I have old Deaks and Rubber Hose, I have some Iron and Brass Beds And some Wooden ones with fancy heads, Have Mattresses, Pillows and Springs And lots of other fancy things.

I have Dishes, Pots and Stew Pans, which women say are good, But I am sorry to tell you neighbor, I haven't any second hand wood. You can rely on what I've told you. Every word is staunch and true And if this does not suit you, I will sell you something NEW.

I can tell you just as well DAN will buy or sell, Come and see me if you can Dan, The Second Hand Man.
