A RELIGIOUS AUTHOR'S STATEMENT.

For several years I was afflicted with kidney trouble and last winter I was suddenly stricken with a severe pain in my kidneys and was confined to bed eight days unable to get up without assistance. My urine contained a thick white sediment and I passed same frequently day and night. I commenced taking Foley's Kidney Remedy, and the pain gradually abated and finally ceased and my urine became normal. I cheerfully recommend Foley's Kidney Remedy. Condon Drug Co.

POULTRY SHOW IN JANUARY

Will Hold Second Annual Exhibit

WASCO COUNTY TO MAKE SHOWING

Will be Better Than First Annual Show

The Wasco Poultry Association will hold its second annual chicken show January 21, 22 and 23, and the officers expect to make a big showing over last year. There were over 100 awards in 1908, but in some classes there was not the competition that it is expected will be made at the coming exhibit.

Owing to the short time in which the promoters had to get the chicken fanciers of the county together last year, the birds were not in the best condition and it is expected that a decided improvement will be noticeable at the second annual show.

A great number of inquiries are being received from fanciers outside the county, who want to get a chance at the ribbons. At the last show there were not a great many outside birds entered but this year the local raisers will have to get in and hustle so that the competition of the birds which will, no doubt, be entered from all over the state, will be interesting and close.

The services of Harry H. Collier of Tacoma, formerly editor of the Pacific Poultryman have been secured as judge. Mr. Collier has a reputation of being one of the best judges of fowls, both of fancy and stable breeding, in the Northwest.

Secretary Leo Schanno is sending out notices for entries and is anxious that the people expecting to show, send their list of entries to him as soon as possible. He requests that every person desiring entry blanks notify him at once.
