

Bisset-Gordon

A quiet wedding took place at Heppner Tuesday morning at six o'clock when Clint Bisset and Miss Nellie Gordon were united in marriage. The ceremony took place at the home of the bride's mother, Mrs. Frances Gordon, Rev. Orr officiating. The groom is the popular leader of the Wheat City Orchestra and has been working for Frank Golden at the O. K. Barber shop in this city but was formerly a resident of Heppner where the young couple became acquainted. The bride was one of Heppner's most charming young ladies and has a wide circle of friends in that vicinity. The Globe joins their many friends in wishing them much happiness.

Fossil Lodges Entertain

The Odd Fellows and Rebekahs lodge of Fossil gave a mock Christmas tree New Year's eve, and entertained visitors from Condon, Mayville and Mitchell. The feature of the evening was the Old Maid's Tea Party, which was well given by members of the Blue Mountain Rebekah Lodge No. 65. A magnificent supper was served in the hall to over one hundred and fifty persons and the evening was one of the most enjoyable successes of the season. The visitors from Condon were; G. B. Duke, C. H. Williams, A. A. Townley, Fred Sauter, Arthur Page and Mr. Simmons. Professor McCan of Fossil was chairman of the evening and as usual gave a good account of himself. All present received an invitation to attend the same feature next year. "Fossil hospitality is of the genuine style and they know how to do things," says a Condon enthusiast who attended the meeting.

Painting Stage Scenery.

John Elias is busy these days painting the curtains and scenery for the new opera house, which is being arranged by Joe Boyer in the skating rink building. John is doing good work with his brush, having already painted some beautiful scenes and attractive ads for our progressive merchants on the drop curtain. Mr. Boyer expects to have the stage ready for use in a short time.

Heppner Worries Over Near Beer Sale.

Pendleton has been appealed to from Heppner to find a solution to the near beer problem. The city clerk of Heppner has written Judge Fitz Gerald seeking a copy of the ordinance licensing the sale of that product in Pendleton, thus following in the footsteps of LaGrande and other Inland Empire towns which are patterning after Pendleton.

SAGE BRUSH NEEDS

Eastern Oregon is going out for what it wants at the coming session. Baker county wants a branch asylum. So does Umatilla county. So does Union county. The semi-arid districts of the state want an irrigation law that will settle the long drawn out disputes over water rights. Eastern Oregon sheepmen and cattlemen want a scalp bounty law. And there are other things that eastern Oregon wants the coming legislature to give through the enactment of legislation. The Dry farming ranchers are united for a dry farm station and their representatives will endeavor to get appropriations for its maintenance.
