

PRACTICE GAME PLAYED SUNDAY

Local Players Show
Poor Form - C. Fitzmaurice Hurt.

A practice game of base ball was played Sunday afternoon on the Condon Park grounds between two chosen local teams. Very little good playing was done by either side and altogether it was a tame affair with the exception of a stunt pulled off by Chas. Fitzmaurice and John Magee. Fitzmaurice, catcher for one of the teams, in going back after a foul tip, collided heavily with Magee, who was also after the ball, and in some incomprehensible manner received the full force of the impact directly in the face. He immediately taken to Dr. [redacted] office and it was found that his nose was broken. The fracture was reduced and he is getting along nicely.

SPECIAL EASTER SERVICES SUNDAY

Special Mass Rendered - Sermon By Rev. O'Rourke.

Special services in observance of Easter were held at the Catholic Church last Sunday and the chapel was filled to capacity. High Mass was rendered. An eloquent sermon appropriate to the day was delivered by Rev. Father O'Rourke. He spoke on Christ's victory over sin and showed how everyone should as much as possible follow the example set before them. Another special feature was the work of the choir in rendering Waterman's Mass in G. Solos by the Misses Marie Summers, Rose Wehrl, Mrs. Edward Dunn and Messrs. Graves, Kavanagh, Hazen and Burns. The chorus was exceptionally well rendered.

LAND FOR SALE OR TRADE

It will pay you to investigate these Listings

An 80 acre relinquishment in the upper Hood River Valley. The land is unimproved, brush and timber, some of it is waste. There is a safe margin of 60 acres of as good orchard land as there is in the valley. Uncleared land about the same distance from Parkdale has sold for \$200 per acre. This tract is 1 1/2 miles south of the new terminus of the Mt. Hood R. R. It is under the "Middle Fork" irrigation ditch. Last year maintenance fee was \$1.75 per inch. Plenty of spring water. This tract must be lived on 5 years. Will trade above for an equity in wheat farm. Would prefer crop payment contract.

A comfortable 3-room house and one-half acre of land in Condon. Price \$450. Terms.

One 7-room house in Portland. Two stories, with basement, cement foundation, front and back porch, both gas and electric light gas range, gas water heater, wood hoist from basement. Lot 42x90 feet. Built two years. Also one five-room modern house and three lots 25x114 feet, full cement basement, bath and toilet. Mortgage \$1000, 7 per cent. Price on both houses \$5500.00. Would trade this property for wheat land and assume about \$2500 indebtedness on land.

165 acres of land on electric line near Portland. All can be platted. 40,000 per day capacity brick plant. Railroad siding on land, gravity loading system, wood enough on land to run plant 20 years or more. The plant consists of 50 h. p. engine, boiler, brick machine, dirt cars, tracks, dry floor, brick cars, gravity roller brick carrier and all necessary tools. An unlimited supply of clay for brick or tile. Price \$35000. Mortgage \$9000. Trade for wheat land.

FRUIT LAND-1000 acres, or sub-divisions thereof, to trade for Gilliam County Wheat Land. Located 20 miles from Vancouver, Wn., and 1 1/2 miles from RR. station. All divided into 10-acre tracts with streets. Soil is clay-shot resembling Hood River. Land is sub-irrigated and watered by many springs. Timber to be removed by Dec. 31st, 1911. Land is practically level. Price, \$60 to \$75.

New brick apartment house located close to business centre of the City of Spokane. Price, \$35000. Mortgage \$10000. To trade for Gilliam County wheat land, not heavily encumbered. Monthly rental now is \$342. This property is very good value and is sure to double, being in the path of the city's greatest development.

480 acres of land lying 41 miles east of Spokane in the Valley. All under its own system of irrigation, which is a gravity ditch taken from Lewellyn creek, a beautiful mountain trout stream. The ditch is completed and the water on the land. Two transcontinental railroad lines pass within 1 1/2 miles. An electric railroad is also building near at hand. The water right is perpetual and the system belongs to the tract. The land is a dark loam and is adapted to raising all kinds of fruit, berries, tomatoes, sugar-beets, hay, etc.

The land lies practically level, consisting of two benches, one a few feet higher than the other, affording the most perfect drainage possible.

This tract lies in the path of Spokane's greatest development and is just across the line in Idaho. Sandpoint is a few miles further east, which with its mills and mines adds to the already ample market for produce in that vicinity.

Opportunity, Vera, Greenacres and Otis Orchards are some of the other successful irrigated lands in the Spokane Valley whose slightly more improved lands are selling from \$400 to \$1000 per acre. Our price is \$200 per acre. Come to our office and see photographs of this irrigated land. We can trade all or part of the above for wheat land in this county.
