

COUNCIL MEETING

Called by Mayor Friday evening - Wood resigns and Jackson is elected.

A meeting of the City Council was called last Friday evening by the Mayor and all members were present. The resignation of Dr Wood as councilman was read and accepted. A petition was read asking the council to elect H. A. Thiessen to fill the vacancy thus caused. Councilman Hire placed Mr. Thiessen's name before the council and Councilman Stephenson then nominated John Jackson. A ballot was taken and the result was two votes for Thiessen and three for Jackson. The latter having the majority was declared elected and sworn in by the Recorder.

In the matter of bonding the city, it was decided, after a long discussion, that the bonds to be voted for be \$25,000 and that the city attorney be consulted as to appointment.

A letter from Wayne Grider was read offering to sell the city four or five acres at a price of \$60 to be used as a dumping ground for the refuse of the city. The matter was referred to a committee consisting of Scott, Hire, and Butler.

In the matter of repairing the streets, the council decided to meet on Main street on Saturday and come to an understanding as to what should be done toward putting the streets in the condition they should be.

It was unanimously decided that water meters should be put in thus making everyone pay for what they use. This is to be done in order that the water system may be made to pay its expense.

The following bills were audited and ordered paid.

S. B. Couture	75 00
L. B. Townsend	75 00
W. L. McCaleb	80 00
Chas. Simpson	15 00
Frank A. Moore	3 13
Fred Baker	7 25
Valvoline Oil Co.	56 53
Recorder	16 15
Peter Sinclair	2 00
C. W. Miller	2 50
E. Wheir	3 00
Chas. Horner	3 00
Crane Co.	25 59
Gilliam Co. Milling Co.	5 30
C. F. Kennedy	3 00
J. F. Reisacker	3 00
Campbell Brown	3 00
Harold Hunt	3 00
James Burns	3 00
John Hess	3 00
Condon Times	13 50
A Dams	6 00
Condon Globe	1 25
Condon Electric Co.	
Lights	128 75
Distillate	222 44
Joe Wilson	4 50
Joe Wilson	3 00
Chas. A. Simpson	3 00
W. A. Wallace	2 50
Jamieson & Marshall	54 21
E. Magee	2 50
John W. Hire	12 00
Total	\$841 10

The council met on Saturday as agreed and after thoroughly inspecting the street decided to fill the holes washed out with rock and cover these with a layer of dirt. Men and teams were hired at once and the streets now present a better appearance than they have for months. It

was also decided to put in a sewer across the intersection of Main and Summit Streets for the purpose of carrying the overflow and waste water which comes down the head of the Canyon.

Mayor Wood reports that all business houses along Main St. will be required to attach their waste pipes to the sewer thus insuring a more sanitary condition for the city. Other much needed improvements are also in view and will be taken up as soon as possible.

HIGH SCHOOL NOTES

Prof. White of Philomath College gave an interesting talk to the pupils Wednesday. He took for his subject "The Building of Character." His address greatly encouraged the pupils in their work by showing the benefit resulting from the few years spent in school work and was appreciated by both teachers and students.

Robt. Fitzmaurice was absent from school two days this week.

The lawn at the High School was cleared of rubbish and put in good shape last week. It is quite an improvement.

The school will soon be using water from the well now being drilled by H. H. Wilburn.

Nona Ham returned to school Monday after several days absence.

CATHOLIC SCHOOL EXERCISES

Will be held in the Skating Rink on the evening of May 25th.

On the evening of May 25, at the Rink Opera House, will take place the Second Annual Closing Exercises of St. Thomas Aquinas Academy. The program will be a most elaborate one, consisting of select musical numbers, tableaux, spectacular drills, and recitations both of a dramatical and humorous character.

The different numbers have been chosen with the greatest care, and are certain, on account of their high artistic nature, to meet with the approval and appreciation of even the most fastidious.

Among the tableaux, Tennyson's beautiful poem "The Lotus Eater" will be reproduced in pantomime by the Senior girls of the Academy, attired in appropriate Grecian costumes. Another novel entertainment will be "Poses Plastique" by the little ones.

The musical selections will include Orchestra, Violin, Mandolin, Piano Solos, Duets, Trios and eight hand Piano Music; two pianos having been secured for the occasion.

A complete program will be published on a later date.

Edgar Donnelly returned on Thursday from Eugene where he has been attending the University. He has been suffering of late from an attack of rheumatism and came home to recuperate.

A. B. Lamb of Fossil passed through this city Thursday morning on his way to Portland and Salem.

Mrs. J. F. Wood and two children left Thursday morning for a visit with relatives and friends at Portland and Corvallis.

Eat your Sunday dinner at the Hotel Oregon.

THE COUNTY COURT

Meet last week with all members present - Petitions read and granted.

County Court met in regular session May 4 1910 with Judge Edward Dunn and Commissioners J. W. Dyer and C. C. Clark present, when the following proceedings were had:

Walther Williams Hdw. Co. Road supplies	18 15

DIAMOND DUST

Club team wins from Fossil - High School also wins - Olex defeats Rock Creek.

On Sunday last the Club ball team went to Fossil and gave the ball tossers of that burg a short lesson on the correct manner of handling the horsehide sphere. When the nine innings had passed the score stood 5 to 4 in favor of the Club team. "Traer" Harlan did the slab work for the local team while "Count" Ashenfelter was on the mound for the Fossil aggregation. These two artists both showed great form and came out of the contest with honors about even. It was an interesting game all the way through as the score at the end of the eighth inning stood 3 to 4 in favor of Fossil but a rally on the part of the Club team in the first of the ninth gave them two more scores and this lead could not be overcome by the Fossil team in their turn at bat. The local team was treated most royally, a fine chicken dinner at the Fossil hotel being one of the many favors shown them. A fair sized crowd witnessed the game and it is the general opinion that it was one of the most interesting games ever played on the Fossil ground. A return game with the Fossil team will be played on the local diamond next Sunday, May 15.

The Condon High School base ball team and the Fossil High School team again met last Saturday on the Fossil diamond and after a closely contested game of nine innings the score stood 9 to 4 in favor of the Condon High. Clarke was in the box for the local team and his shoots and bends proved to be unsolved enigmas to the Fossil lads. Buzby was on the slab for Fossil at the start of the game but was replaced in the sixth inning by Smith. A return game will be played in this city in the near future.

The suits which were ordered recently by the base ball team have arrived and will be worn by the team in their game with Fossil next Sunday. They are white with blue trimming and present a very neat appearance. These suits were purchased by twelve of the business men and each of these is represented by having the firm name across the back of the suit. Each player wearing a suit will be responsible for its return to the business firm which it represents.

The game which was played on the Olex diamond last Sunday by the Olex and Rock Creek teams was won by the former by a score of 5 to 2. The game was well attended and interesting. Weaver delivered the goods for the Olex team and Miller was in the box for Rock Creek. The features of the game were the plays made by Mulkey of Rock Creek and Norton, Weaver and Keeney of Olex. These teams expect to meet again Sunday.

An effort will be made to schedule a game in the near future to be played in this city by the Club team and a picked team from the northern part of the county.

Pat Mahaffey will be on the initial sack for the Club team Sunday.

Admission to the game next Sunday will be 25 cents with an extra charge of 10c for seats in the grandstand.

Portland Market Report

Receipts on the market for the week ending today have been: cattle 1484, calves 92, hogs 1071, sheep 4096, horses and mules 52.

Most of the cattle have been from California and were of good quality and the prices at which they were sold indicate that the lower prices looked for at this time did not apply. The run of grass cattle has not started and while the packers undoubtedly expect to get lower priced cattle the supply, both in quantity and quality has not warranted a reduction.

The sheep market has been well supplied throughout the week. Prices indicate a steady market. There were all sorts of sheep offered and the best prices quoted in the sales which follow brought all they were worth.

The hog market is slowly following the lead of the River markets and while prices at Portland are \$1.50 per hundred higher than at other points the market is 10 cents lower than last week.

Benjamin Hunt came up from Rock Creek Wednesday.

BOARD OF DIRECTORS MEET

Employ present faculty to serve another year - Miss Thiessen resigns.

At a recent meeting of the Board of Directors of the Gilliam County High School the entire faculty of the High School was re-employed to serve for another year. The faculty is as follows: H. L. McCann, Principal.

Miss Minerva Thiessen, Asst's. "Bertha Kretschmar" Asst's. Miss Thiessen has since handed in her resignation and will go to Philadelphia immediately after the close of school to accept a position in a private school there. It is not yet decided who will be appointed to fill the vacancy.

H. A. Thiessen left this morning for Portland.

D. H. Hildebrand has an ad in this issue. Look it up.

M. F. Beegle of Lone Rock left this morning for Houlton, Ore. The Globe will keep him posted on Gilliam county happenings during the coming year.

O. V. White, president of Philomath College at Philomath, Oregon, spent a few days in this city this week visiting at the home of his brother, J. B. White. Mr. White is traveling over the state in the interests of the college.

A. S. Hollen of Pine Ridge was in this city Wednesday.

A. J. McDaniel of Portland spent a few days this week looking after business interests in this vicinity.

The High School drama announced for Saturday night has been postponed until Tuesday evening, May 17th. Tickets for same will be on sale at the Condon Drug Store on Monday and Tuesday, the 16th and 17th. Reserved seats, Fifty cents; general admission, twenty-five cents. Public School pupils, fifteen cents.

TEACHERS MEET

Fifty-three attend the Institute in this city last week - Prominent educators here.

The joint Gilliam and Wheeler Counties Teachers Institute which was held in this city last week was highly successful in every way. Fifty three teachers were present from the two counties. State Supt. J. H. Ackerman, E. D. Ressler of the O. A. C., R. F. Robinson County Supt. Multnomah Co., L. R. Alderman of the U. of O. and C. H. Jones, Editor of the Oregon Teachers Monthly, were the instructors present. The evening sessions held in the rink were attended by large crowds and the talks given on these occasions by Supt. Ackerman and Supt. Robinson were well received. Votes of thanks were extended to Superintendents Sturgill and Simmons, to the instructors who were present, to the Wheat City Orchestra and Band and to all who took part on the program.

A school officers meeting was held on Friday at which 14 districts were represented.

Buys Large Herd of Cattle

J. E. Reynolds, the stock man recently purchased 500 head of cattle in the mountains south of this city. Three car loads of these were shipped from this city to the Portland market this morning and the rest will be driven overland to North Yakima, Wn.

Mass Meeting at Fossil

A mass meeting of the citizens of Wheeler and southern Gilliam Counties is to be held in Fossil on Monday, May 23, for the purpose of discussing ways and means of getting rail transportation to Fossil and to hear the reports of the various committees. There is also to be a meeting of the right-of-way committee at Mayville tomorrow afternoon.

Installs New Cash Register

W. L. Barker & Co. have lately installed one of the latest and most up-to-date cash registers manufactured by the National Cash Register Co. It keeps a record of all cash, all money received on account, paid out, all charges, etc., for the entire year. It has a clock with a time check register and in every way is as near perfect as it is possible for a machine to be. It weighs 395 pounds and costs \$400.

Telephone Co. at Work

The Igo Telephone Co. has commenced building operations on the new line to be constructed from this city to Alville. Post holes are being dug and sawed posts are to be used. The company expects to have the line in operation by June 1st.

Mrs. C. E. Kennedy has been visiting a few days this week at the home of Mr. and Mrs. Wm. Farr in this city. Dr. Kennedy is now practicing in Seattle where Mrs. Kennedy intends to join him in a short time.

Chicken dinner at the Hotel Oregon Sunday.
