**Flooded with Light**

One single Tungsten Economy Diffuser of three lamps, aggregating from 120 to 300 watts, will flood a show window with dazzling radiance as intense as sunlight. There is no other form of illumination as economical for store lighting, and none as attractive. Tungsten lamps cut the cost of electric light in two, or more than double your illumination for the same money.

Merchants should experiment with one of the new G.E. Tungsten Economy Diffusers and carefully note the results. Wherever Tungsten lamps are tried they are never discontinued.
