

READY FOR FALL BUSINESS

WE HAVE RECENTLY Doubled Our Facilities for selling land in Wheeler & Gilliam Counties and will be able to do more business this Fall than during the Spring. Our Sales since opening in Condon have aggregated \$146,300.00 of which all but one sale of \$4,500.00 have been made since January 1st, 1910.

The above SALES have helped to put us in touch with many more buyers whom we are expecting to invest here in the future.

We have had many drawbacks to contend with in bringing strangers to this locality but these drawbacks are far less now than formerly and buyers are awakening to the fact that GILLIAM and WHEELER Counties CONTAIN THE KIND OF OPPORTUNITIES THEY ARE LOOKING FOR.

Come in and List Your Places for FALL and renew your Spring Listings in time for us to place them in our booklets and circular matter which are being sent to all districts where buyers may be found.

We are the Condon Agents for lots in EL TAVAR and LOVELEIGH ADDITIONS TO PORTLAND. WE CAN SELL YOU ANY OF THESE LOTS WHICH ARE ALL WITHIN THE 3-MILE CIRCLE OF PORTLAND. THE PRICE IS THE SAME AS PAID THERE, YOU PICK OUT YOUR OWN PROPERTY.

We insure your buildings from loss by fire. We insure your crops from loss by fire, 1 month 60 cents for \$100. 2 months 90 cents, 3 months 120 cents.

We are in a position now to write your live stock insurance in a strong and reliable Company.

A Popular Summer Resort.

The fine weather prevailing on the North Beach, is bringing hosts of visitors to the Ocean shore, intent on securing rest and a good coat of tan.

The outlook is particularly bright for a remarkable busy season this summer, the number of visitors at this time being far greater than ever before at the same time of the year.

The march of progress is evident throughout the entire length of the beach, and development being assured, prosperity is but a matter of course. Work on the Automobile Boulevard is progressing very rapidly, beach houses by the score are being erected, and new rooming houses and old are being rapidly put into shape to take care of the hordes of summer transients which will soon be down upon us.

The North Beach Push Club with its combined effort, shouldering the Wheel of Progress, has awakened an era of activity which will undoubtedly secure the proper recognition of the unsurpassed advantages of the North Beach for enjoyable outings, and, at the same time, all the comforts of home.

Negotiations are now pending with Portland capitalists for the installation of a water system to supply the beach and surrounding countryside with fine mountain water. With the culmination of this project, one of the obstacles to an otherwise incom-
