

BACK FROM THE EAST

Chas. H. Williams, Condon's leading jeweler, & Optician, has returned from the eastern jewelry markets, where he has made his fall and holiday selection of his high grade goods, in all lines, kept in a first class, exclusive jewelry establishment. The goods will begin to arrive in a week or so and Mr. Williams will be pleased to show you the full line and to make you acquainted with the merits of the line.

OPTICAL WORK

As a great many patients are now crowding in to have their EYES examined for glasses I would ask those who live in town, and can do so, to come in the evening, as I am prepared to take care of them at any time. The store will be open until nine p. m.
