CONDON, OREGON, FRIDAY, OCT. 28, 1910.

NO. 30

## WM. J. MARINER MAKES REPLY

### Takes Stand For Statement No. 1.

### SUPPORTS DIRECT PRIMARY

Candidate for Representative Explains his Views on These Important Subjects.

Blalock Ore. Oct. 22, 1910.  
Editor Condon Globe;

On returning home the 20 inst. I notice that you said in your issue of the 14th that "The people of this district wish to know what stand Mr. Mariner is taking in regard to Statement No. 1 and the Direct Primary."

I am and always have been a strong supporter of the Direct Primary Law including Statement No. 1 which simply means if a majority of the people by ballot select some certain candidate for the U. S. Senate that a legislator, as their representative, should cast his vote for their choice as expressed.

I hold that unless a candidate for the legislature signs Statement No. 2 or in some other public manner gives notice that he does not consider himself bound by statement No. 1, that he is honor bound to vote for the people's choice for U. S.

## WILL R. KING Judge of the Supreme Court.

Endorsed by the Non-Political Judiciary movement.

Eastern Oregon has a splendid friend on the Supreme bench in Judge Will R. King, who is a candidate for re-election for the six year term. Judge King has been a resident of Eastern Oregon for nearly forty years, living in Umatilla, Baker and Malheur Counties, and his present voting residence is Ontario. His familiarity with Eastern Oregon conditions makes it extremely important that he be retained in the Supreme Court and not be replaced by a man from the Western part of the State, who knows little of the needs of the great area east of the Cascade Mountains.

Judge King's decisions during the four years he has been on the bench are classed by the bar with those of the most eminent judges. His decisions on irrigation law are recognized as authority. His celebrated decision in the case of Hough vs. Porter in the writing alone of which he spent three months, is regarded so highly in the East that it is used as a textbook in the Ann Arbor Law School.

In addition to having the support of Oregon lawyers with few exceptions, Judge King is one of the candidates for the Supreme Court endorsed by the Non-Political Judiciary movement, started by the Oregon Bar Association. This movement seeks to take the Supreme Court out of partisan politics and urges the re-election of Judges King, Slater, Moore and McBride [See pages 31-34 election pamphlet sent to all voters]. These four judges, two Republicans and two Democrats, are running upon the Non-Political Judiciary principle that the Supreme Court is the last place that should be used for giving party rewards.

The Oregon Daily Journal, of Portland, on Oct. 10, expressed the opinion of all those who are acquainted with the work of Judge King on the Supreme Bench, when it said:

One of the ablest jurists in Oregon is Supreme Justice Will R. King. He is known throughout the state as an independent thinker of profound powers of analysis. He has the reputation among laymen as well as among members of the bar of applying a great deal of common sense as well as broad intelligence in constructing the law. Judge King is opposed by Judge Geo. H. Burnett, who was nominated by the assembly, who accepted the nomination from the assembly and who stands on the platform of the assembly.

### AUDITORIUM AGAIN CROWDED

States That if Elected He Will Devote a Share of His Time on The John Day Project.

A. W. Lafferty, the Republican nominee for Congressman, delivered an address last evening in the Court House in this city. Appropriate music was furnished by the Wheat City Cornet Band, which was highly complemented by Mr. Lafferty, and the Court House auditorium was well filled. Mr. Lafferty was introduced by M. Fitzmaurice who said that before the Primaries he had opposed Mr. Lafferty but was now heartily in favor of him and his policies. Mr. Lafferty in dwelling on State questions said that as a Republican he was supporting the entire Republican ticket; said that he was strongly in favor of the Direct Primary and Statement No. 1 now as formerly.

He then passed to National issues and explained to those present what he intended to do if elected. He explained clearly his position in regard to conserving the national resources of the state and said he favored the up-building of the John Day irrigation project as well as the other projects of the state. The audience was enthusiastic and seemed to be in accord with the views presented.

At the annual meeting of the Condon Athletic Club Tuesday night the following were elected to serve on the board of Trustees for the next two years; J. E. Schroeder, C. H. Williams, James Smith. The board then elected the following officers; Chas. H. Williams Pres., Prof. Sturgill, Sec., J. E. Schroeder, Treas.
