## CANDIDATES CIRCULATE PETITIONS

### Campbell, Kennedy and Burns Running For Councilmen.

City election is only a few weeks off and several candidates for the different offices have been having their petitions circulated this week. For Recorder, Jerry Hartshorn will make the race against M. Fitzmaurice, present incumbent. Otis Campbell, Chas. Kennedy, and J. D. Burns will run for councilmen but have not signified whether for the two or one year term. These are all good men and substantial citizens, who have lived here long enough to understand the situation and all of them would make good councilmen. Oscar Portwood and P. H. Stephenson will probably be candidates to succeed themselves and as there is yet nearly two weeks in which to file their petitions other candidates will probably make their appearance. Alex Robertson will run for city Treasurer and should have no opposition. Hire and Scott are holdovers, together with Mayor Wood. Politics will cut no ice in election whatever. What the city needs is a good business administration devoid of factionalism, and with this idea in mind the voters can select from the candidates men who will work for the interests of the many and seek to lighten the heavy burden of debt under which the former councils have worked.

The Gilliam County Sunday School Convention met in the Arlington M. E. Church last Friday afternoon with delegates in attendance from three out of the five schools in the county.

Another meeting will be held tomorrow evening in the Condon Drug Store for the same purpose, to elect officers for the coming season. Everyone interested in the welfare of the team and especially the members are requested to be present. If the weather permits, the first practice of the season will be held the coming Sunday.

## JERRY HARTSHORN FOR CITY RECORDER

On a progressive business platform H. A. Hartshorn will make the race for City Recorder at the next city election. The editor of the Globe can think of no other citizen of Condon who is more qualified for this office than is Jerry Hartshorn. Since coming to Condon nine years ago he has made a close study of city affairs and existing conditions. As former editor of the Globe he fought the battles of the taxpayers of Condon.

The writer of this article has been intimately associated with Mr. Hartshorn for the past several years. Honest, upright in all his dealings, unselfish, and wholly without animosity towards the educational and moral uplift of social conditions of the community. We can recommend him to the voters of Condon without hesitation. Is he not the logical man for the position of City Recorder? We will leave it to the citizens and taxpayers to decide this important question.

## ANOTHER YOUNG COUPLE MARRIED

### Ex-Circuit Judge Butler and Miss Nan Fitzmaurice--Sunday.

A very pretty wedding took place on Sunday evening March 19th at the home of Mr. and Mrs. Fitzmaurice when their daughter Nan was united in marriage to Mr. R. R. Butler of this city. Only immediate relatives of the bride and groom were present. The ceremony was performed by Rev. E. Curran after which those present partook of the excellent wedding supper prepared by Mrs. Fitzmaurice.

Mrs. Butler is a charming and accomplished young lady, very popular in Condon, and Mr. Butler is to be congratulated on winning such a prize. The latter retired from the Circuit Judgeship of this district last January and is practicing law in Condon. He is one of the substantial citizens of the city with an exceptionally bright future. Several months ago he purchased the Dr. Butler residence in West Condon and on their return from their honeymoon trip to Portland will start housekeeping immediately. That their lives may be full of happiness and prosperity is the earnest wish of their friends in this city.
