## 17-CENTS-A-DAY Buys Oliver Typewriter!

What! Actually buy outright the \$100 Oliver Typewriter for Seventeen-Cents-a-Day?  
Yes Sir—That's the proposition on the New Model Oliver No. 5, the Standard Visible Writer.

We not only invite you—we urge you—to take advantage of our Seventeen-Cents-a-Day Purchase Plan.

This plan was devised for the benefit of the many thousands who are renting machines or doing without them for lack of the ready cash.

In selling you an Oliver Typewriter we meet you more than half way. A small cash payment brings the machine. We willingly wait while you pay at the rate of Seventeen-Cents-a-Day.

We don't want a cent of security. Just your promise to pay is enough.

Thousands Sold for Seventeen-Cents-a-Day!

Since we began selling typewriters on this broad-gauge plan our business has more than DOUBLED. Tons upon tons of metal have been turned into THOUSANDS OF TYPEWRITERS and sent all over the world to supply the demand for Olivets—at Seventeen-Cents-a-Day! We have ample CAPITAL and CONFIDENCE to sell typewriters on this plan. Our losses are INFINITESIMAL. The public has justified our confidence in such an impressive manner that today we are just as glad to book orders on the "Penny Plan" as we are for ALL CASH IN ADVANCE.

Swiftest, Strongest, Simplest \$100 Typewriter

The SPEED of the Oliver sets a pace that has never yet been excelled. Its STRENGTH and ENDURANCE are such that it serves you EFFICIENTLY for a LIFETIME. No other machine in the \$100 class compares with it in SIMPLICITY, for we do away with HUNDREDS of parts used on other standard typewriters. The first crude model of the Oliver Typewriter was built from an old wash-boiler and the type of a country print shop. The machine was a curious looking affair, but the PRINCIPLES embodied in its design were destined to revolutionize the typewriter world.

The OLIVER Typewriter

This model has captivated the public by its wealth of exclusive features which save time and effort and scores of new uses and give tremendous gains in efficiency. The new "coat of mail" protects important working parts from dust, gives added strength and stability. The Disappearing Indicator shows EXACT printing point and ticks when type strikes the paper. The Vertical and Horizontal Line-Ruling Device is a wonderful convenience.

The Automatic Tabulator and the Line-Ruler are TWIS DEVICES. Each supplements and completes the other, in tabulating, invoicing and all kinds of statistical work. The Balance Shifting Mechanism, the Automatic Paper Ripper, the Paper Register, the Bark Spacer and other innovations put the finishing touch of perfection to this incomparable machine. You get all those immensely valuable improvements, WITHOUT ADDITIONAL cost, when you buy the Oliver Typewriter for Seventeen Cents a Day!

Send for Book and "17-Cents-a-Day Offer NOW!"

We have told you, very briefly, about the Machine and the Plan. Free Books, giving details in full, are yours for the asking. If you are a salaried worker, the use of the Oliver Typewriter will increase your efficiency and speed you TO THE FRONT. It has helped thousands to better salaries and more important positions. If you are in business for yourself, and anxious of your enterprise. Whether you wish to take advantage of the seventeen-Cents-a-Day Offer or not, you should have a copy of the OLIVER BOOK and become better acquainted with the typewriter that has made itself indispensable to the business world and broken all records in sales. If you own any "old typewriter" we will accept it in lieu of the first payment of the Oliver Typewriter.

Your machine is ready for immediate delivery. Address all communications to Sales Department OLIVER TYPEWRITER CO., 418 UNION STREET, SEATTLE, WASH.
