CONDON TAKES BULK OF PRIZES AT MAYVILLE FAIR

EXHIBITION THIS YEAR ECLIPSES ALL FORMER EVENTS IN DISTRICT

Farm Products and Livestock Equal of Those Shown Anywhere--Accom- modations Better This Year.

The fair at Mayville which ended yesterday was the best event of the kind ever held in this district. The accommodations for the crowd and the arrangements for the different exhibits were much better than heretofore. The grounds were in good shape, water was plentiful and the capacious grandstand made the parades and sports much more pleasant for the spectators. Parman Bros. won many blue ribbons with their fine stock. Wm. Dunlap's fine driving team won first prize and he also carried away the blue for the best shod horses. The purses given for the athletics were almost all brought to this city by the High School teams. In the 50-yard dash on the first day Wade Hull, G. C. H. S., won first and Bruce Hull, G. C. H. S., second. The high jump was won by Smith, Fossil, with Beeson, Mayville, and Hartzell, Fossil, tied for second. The High School team took

the baseball game with a score of 7 to 4. The 100-yard dash on the second day was won by Wade Hull, G. C. A. 3., with Beeson, Mayville, second. The ball game was won again by the G. C. High School team by a score of 13 to 11. Broad jump was won by Beeson with Hoover of Fossil second. The football game this afternoon was won by Mayville by the low score of 5 to 0. This is the first team ever turned out by the high school in this city and the majority of the team had never seen a game. Their work was brilliant in many respects however and with practice and experience this team will set a high mark for the following teams to reach.

The officers and directors of the fair may feel proud of the results obtained through their well directed efforts, for the different exhibits were far above the average.

CONDON WILL SEND LARGE DELEGA- TION TO TRI-COUNTY FAIR MEETING

Will Decide on Location for Fair--Con- don Logical Point--Meeting to be in Arlington October 31st.

A meeting is to be held in Arlington on Tuesday, October 31, to decide upon the location of a tri-county fair to be held next year in which Gilliam, Morrow and Sherman will be interested. A demonstration train sent out by the O. A. College will also be in Arlington on that date. The date for this meeting was originally set for October 17, but we have been advised by D. O. Lively of Portland, of the postponement. A special car has been secured by the Commercial Club of Portland for the use of its members in attending this meeting and we are informed that the car will be well filled with prominent Club members when it arrives at Arlington. The Portland business men realize the great possibilities of this section and are very enthusiastic over this movement. The business men of this city are much more interested and should be even more enthusiastic. About fifteen have promised to attend this meeting and this number will no doubt be doubled when the date arrives. This fair can be secured for Condon and nothing should be left undone to bring it here. As stated before by this paper, this is the logical place for such a fair. Should the business men of this city decline to co-operate and allow this chance to go by on account of petty jealousies it will show a lack of proper interest in the upbuilding of this county. Everyone should make arrangements to attend this meeting at Arlington on the 31st and secure this fair for Condon.

SALOONS ASK COUNCIL TO LOW- ER LICENSE TO \$600 PER YEAR

Ordinance to That Effect Introduced by Councilman Hire--New Cross- ing Built on Main Street.

The City Council met on Friday evening of last week with Mayor Wood in the chair. Councilmen Burns, Williams, Hire, Campbell and Portwood were present, Scott being absent. The minutes of the former meeting were read and on motion, approved. Hire then introduced ordinance No. 59 which in effect was an ordinance to reduce the saloon license of this city from \$800 to \$600 per year. Williams immediately protested the passage of the ordinance, saying that the city, in its present financial condition, cannot afford to lose any revenue from any source. He left the council chamber before the ordinance was put to a vote stating that he would oppose its final passage. The ordinance was then read in full for the first time. Hire then moved and Burns seconded that it be read a second time and on calling the roll the following votes were cast: Campbell, no; Burns, Hire and Portwood, yes. The motion was declared carried and

the ordinance read a second time. It is now filed with the Recorder and will be read a third time and placed on its final passage at the next meeting of the council. Hire then made the proposition to the council that he would do all labor and hauling necessary to put a crosswalk on Main street at the corner of the First National Bank if the city would furnish the material. The council accepted his offer and the walk has already been put in.

The following bills were audited and ordered paid:
Condon Electric Co. \$125.00
W. L. McCaleb 80.00
Recorder 10.00
Treasurer 15.00
Marshall Keeney 90.00
F. E. Bennet 18.00
I. C. Orwick 57.50
Dr. J. F. Wood 6.05
Lee Davis 36.25
Jos. Ledgett 5.00
Council then adjourned. The next meeting will be held on the first Monday evening in November.

CONGREGATIONAL CHURCH.

Beginning with next Sunday evening there will be a series of special meetings held in the church. Rev. Wm. H. Myers of Portland has been written for as an assistant. Mr. Myers is a fine singer and a vigorous preacher. Just when he will arrive here is uncertain, but he is looked for sometime during the week. We want everyone to arrange to attend these meetings. They will be sane, instructive, enthusiastic. Each service will open with a season of song. On Sunday morning there will be a special service of song in which many of the old songs will be sung that have been immortalized by centuries of use. Do not miss it. This will be followed by a talk by the pastor, "Cooperation the way of Success. In the evening the pastor will preach on the subject, "What does it mean to be a Christian."

The Christian Endeavor is having large and interesting gatherings. The new president, Miss Parsons is doing fine work. Next Thursday the ladies of the church and community will meet with Mrs. Parman. Refreshments will be served and a free will offering will be taken for the treasury of the society. The young men of the Battalion are getting together and expect to be in the war for the best young men's club in the state. We hope to affiliate with the other clubs of Oregon.

OLD FOLKES CON- CERT: A SUCCESS

Ye Olde Folkies Concerte which was given in the American Theatre on last Friday night by the Ugo Igo Club of the Congregational church was a great success both as pleasing entertainment and in a financial way. The Club cleared something over \$26 which will be used in church work. The old songs which were sung seemed to please the audience immensely. Two of the costumes, at least, deserve special mention and they are the dresses worn by Miss Booth and Mrs. Bond, both dresses being over 100 years old. Mrs. Thies-sen as Juanita, was very good and her solo was heartily encouraged. The readings given by Miss Tillotson and Mrs. Ferris were highly appreciated. The work and costumes of Miss Parsons, Mrs. Stephenson and Mrs. Hollen in "Cousin Jedediah" were very good. Ralph Potts made (Continued on last page)

PRECINCT LINES TO BE FIXED

The date for establishing precinct lines in the counties of the state is a full year in advance of the general election, and some of the county courts of the state are liable to be caught napping next month. Section 2 of the direct primary law, it will be remembered, was amended so as to require that all things pertaining to elections shall be the same as they were before the date for the general election was changed from June to November. When the general elections were held in June the precinct lines had to be established in November preceding. Therefore the same date must be observed for establishing the precinct lines this year. This is the first time in the state that the county courts have had to establish these lines one full year before the election. The 12 months beginning next month will be a "continual round of pleasure" for parties person-

BIRTHDAY PARTY FOR TWO.

Several of the teachers and young people of the city participated in a birthday party given Monday evening at the home of Mr. and Mrs. H. A. Hartshorn in honor of Miss Booth, teacher in the public schools, and Roy Sheldon. The evening was spent in playing musical games and with vocal and instrumental music. Refreshments were served and those present departed at eleven o'clock for their various residences.

The Daisy Club was entertained on Monday evening at the home of Mr. and Mrs. J. H. Bond. The evening was pleasantly and profitably spent in arranging the Club's work for the winter months. Games were also enjoyed. Delicious refreshments were served.

ally interested in votes and voters. Precinct lines will be established in November, registration books will be opened in January, the primary elections will be held in April, and the general election in November. Not only is the date of fixing the precincts far removed from the primary nominating elections, but these elections are extraordinarily far from the general election.

At the next April primary elections the people of Oregon will have to select their delegates to the national presidential party conventions, express their preference for United States senator to succeed Jonathan Bourne, nominate candidate for secretary of state, supreme justice to succeed Chief Justice Robert Eakin and a state food and dairy commissioner. In addition the regular list of county and local candidates must be selected.
