

## Large Crowd of Delegates Royally Entertained at Arlington Teachers Institute in Progress Demonstration Train Draws Big Attendance in Gilliam County Towns.

### HARMONY, KEYNOTE OF TRI-COUNTY CONVENTION HELD AT ARLINGTON

#### Geo. B. Dukek, Well Known Farmer of Mayville, Elected President of Tri-County Development League.

Arlington, "The Gate City," was invaded on Tuesday by 300 delegates from Gilliam, Morrow and Sherman counties and 35 members of the Portland Commercial Club. The purpose of this invasion was to organize a Tri-county Development League and to evolve plans for the betterment of agricultural conditions in the three counties. Practically nothing was done at the afternoon session except to discuss the object of the meeting and elect a few committees. For a few minutes it seemed that the several delegations might clash when it came to selecting the place to hold the Tri-county Fair but the folly of contesting this question soon became apparent and throughout all three sessions the utmost harmony prevailed. The conditions existing in the three counties were widely discussed by members of the delegations and it was apparent that Gilliam County is in better condition than either of the other two. The entire situation speedily resolved itself into one question—how to become successful, agriculturally, in a section where the precipitation is light. In answering this question there was a diversity of opinions, some contending that only by irrigation could it be solved, others were in favor of trying to secure artesian water but by far the majority declared that a scientific system of crop rotations and diversified farming will solve the problem with the moisture which this section receives yearly. Diversified farming seems to be the solution which pleases most of the farmers. During the past the desire of the farmers has been to raise a good crop of wheat but of late a few have taken up stockraising, dairying, alfalfa and crop rotations and these are now the successful farmers of this section of the state. It was shown at the meeting that the farmer who has been raising hogs is the farmer who has been paying off the mortgage. J. N. Teal, who initiated the movement, was unable to be present, being in Washington, but he was with the meeting in spirit as was shown by a telegram which was read. Committees on permanent organization were selected as follows:

Gilliam County—J. E. Burdett, Arlington; Edward Dunn, Condon; W. S. Wade, Olex; A. Greiner, Mayville; W. A. Campbell, Ferry Canyon; D. F. Bunch, Blalock; Elmer Montague, Montague.

Morrow County—E. M. Shutt, Heppner; W. T. Campbell, Lexington; S. E. Knottson, Heppner; E. G. Noble, Heppner; E. C. Maddock, Heppner; J. E. Croman, Lexington; W. C. McNabb, Ione.

Sherman County—W. H. Ragsdale, Moro; L. Barnum, Moro; C. A. Buckley, Grass Valley; H. M. Shutt, Kent; R. C. Atwood, Wasco; O. J. Gaffin, Wasco; E. D. Mecke, Wasco.

Sherman County named the same set of delegates on the resolutions committee, the other members of which are: Gilliam County—H. F. Shanks, Arlington; J. F. Wood, Condon; Jas.

McHenry, Arlington; P. H. Stephenson, Condon; E. Weatherford, Olex; Geo. B. Dukek, Condon; H. A. Thiessen, Condon, Morrow County—C. E. Woodson, Heppner; W. C. Scott, Lexington; W. E. Leach, Lexington; V. Crawford, Heppner; J. L. Kaufman, Ione; J. A. Waters, Ione; H. T. Knackenburg, Ione.

The early part of the evening session was taken up with short addresses by Dr. Kerr, Dr. Withycombe, D. O. Lively, C. H. Williams, B. I. Paget, E. C. Kilburn, and W. R. Baker. The following officers and directors were then elected. President, Geo. B. Dukek, Mayville; Vice President, C. E. Woodson, Heppner; L. B. Barnum, Moro; secretary, H. F. Shanks, Arlington; treasurer, Clyde Brock, Heppner; directors from Gilliam, W. S. Wade, Olex and W. A. Campbell, Condon; from Morrow, W. T. Campbell and J. Knackenburg; from Sherman, L. Baker, Grass Valley E. D. Mecke, Wasco. Resolutions requesting the Federal government to spend a greater part of the reclamation fund in this state, thanking the people of Portland for their interest in the movement were passed.

W. R. Baker of Blalock is spending a few days in this city. He made a few minutes pleasant call at this office and renewed his subscription to the Globe.

Henry Austin left on Monday morning for Hillsboro, Oregon.

### REVIVAL MEETINGS AT CHURCH OF CHRIST

Revival meetings commence Nov. 12 at 11 a.m. The church of christ will hold a series of meetings commencing Nov. 12, at 11 a.m. We invite every one to remember this and come to these meetings each night at 7:30. Prominent preacher from Washington and also from Eugene, Ore., and a singer from Oklahoma will be present. We believe in the good plain old gospel meetings as conducted by the early church so we urge everyone who loves the plain old faith to get ready to attend these meetings. Remember the place and the date. Nov. 12th, church of christ.

### SHERIFF SALE

Notice is hereby given that an execution and order of sale was issued out of the Circuit Court of the State of Oregon, Gilliam County, on the 30th day of October, 1911, upon a decree therein rendered on the 28th day of October, 1911, in favor of Gilliam county Milling co., a corporation plaintiff and against W. ### SCHOOLMA'AMS INVADE WHEAT CITY TO ATTEND 3RD ANNUAL INSTITUTE

#### Sessions Held in High School Valuable to Instructors. Much Entertainment Provided for Visitors.

The Annual Institute of the Gilliam and Wheeler county teachers convened in this city on Wednesday and is still in session. Sixty-seven teachers are enrolled beside the instructors and visitors. The failure of some of the instructors to arrive when they were expected caused some annoyance and change of plans but taken altogether this Institute has been very instructive, entertaining and very successful. General organization was the first thing in order on Wednesday morning and Miss Booth was chosen as secretary. Prof. Blough of Fossil, Miss Booth, Prof. Sturgill and Prof. Bond were instructors of the day on the different subjects. Mrs. Ferris entertained the teachers with a Scotch read-

ing. On Thursday instruction in several subjects was given by F. F. Van Court, Miss Hastings and Mr. Sned. On Friday State Superintendent Alderman instructed the teachers along various lines. Prof. Sturgill gave a short talk on his "hoodoo" Miss Lawhead, Miss Campbell and Miss Hastings gave instructive talks on their different specialties. Messrs. Titus, Hess and Dickinson were chosen as the committee on resolutions. On Thursday evening a program in honor of the visiting teachers was rendered in the skating rink by the best of Condon's local talent. Supt. Alderman gave the address of the evening which was enjoyed greatly by the audience.

### NEWS NOTES FROM VARIOUS CHURCHES

#### Congregational

The pastor will preach in the morning on the subject of "The Leaven of the Kingdom." In the evening there will be a special service in the Bible reading of Queen Esther. This service is a musical cantillation and will be given by Mrs. Ferris and Mrs. Hartshorn. This service is based upon what is known as the Cantata of Queen Esther, the same music is used. It will be one of the most interesting and profitable services held in this city in many a day. It reveals the life story of the beautiful Queen and shows what a lonely slave may accomplish in changing the destinies of a nation, under the hand of God. This service is free to all. A free silver offering is to be taken for the treasury of the church. Mrs. Ferris will leave for the East about the 26th of November.

The Young People's Bible Study class opened with ten members present. Mr. Hartshorn was elected President and Mabel Pittman as Sect. We de-

sire all the other members of this class present at the next meeting. The ladies of the church will hold their annual bazaar beginning on the 25th of the month.

#### Baptist.

Sunday School as usual next Sunday. Preaching 11:00 a. m., subject, "Three witnesses of Christ." Devotional service, 7 p. m. Preaching 7:30, subject "What must I do to be saved?" or "Entering the wicket-gate." The evening subject will be largely of thoughts from Pilgrim's Progress, the greatest allegory ever written, which we hope to make spiritual and interesting. It is a story that appeals to the inquiring soul to enter the wicket-gate. A hearty welcome extended to all.

R. Y. Blalock, Pastor.

### RESIDENTS DISPLAY ENTHUSIASM AT VISIT OF DEMONSTRATION TRAIN

#### Efforts of Railroad and Agricultural College Appreciated by People of Gilliam and Wheeler Counties.

The demonstration train arrived in this city at an early hour on Tuesday morning. The farmers for miles around were also on hand in the early morning. When the lectures started at eight o'clock there were present between two and three hundred and the later arrivals swelled the total attendance to almost four hundred. Several lectures were under way at the same time and to say that the interest was great is putting it mildly for the lectures were intently listened to and the knowledge given out was received with apparent appreciation. After the lectures those present were requested to ask questions which they did, questions of almost everything in agricultural lines which might apply to this section. In regard to the meeting the Oregonian has the following to say:

No doubt the people of this entire section are up against a hard proposition. For three years their hopes of a wheat crop have been blasted. For those three years the precipitation has been less than 10 inches, in some adjacent sections only 7 inches

and under such conditions a crop failure is inevitable.

But these Gilliam County farmers are men of stout hearts, brave minds and indomitable courage. They never lie down; they are always up and doing and just now the crops for next year are sky high, for there has been a lot of face moisture and the wheat looks exceedingly well. They want Dr. Withycombe and his associates to point the way for them to do better farming, to diversify their crops, to give them some hopes of escape or tide over the lean years. No one ever saw an audience more interested, more eager to learn, never saw ears more willing to listen to messages which to them would point to arrest failure in the future.

The little town of Condon was ablaze with enthusiasm and yet something like 100 of the best citizens left on the early train for Arlington to attend the Tri-County meeting. It can truly be said that our time in Condon was all to short and departure caused deep regrets on both sides.

### HIGH SCHOOL AND CLUB TEAMS PLAY TO TIE

A football game was played on Thursday afternoon between the High School team and a team picked from the Athletic Club, resulting in a 5 to 5 score. The feature of the game was the lack of team work on both sides. Incomplete forward passes were many. The club team did very well considering the fact that they had had no practice. These teams will play again in the near future.

The Ione High School football team will be in this city on Thanksgiving Day to play a matched game with the Gilliam county High School team. The Ione boys have more experience in the game than the home team but they are pretty evenly matched in weight, both teams are working hard to get into shape and the game promises to be highly interesting.

Mr. and Mrs. Geo. Stevenson left on Monday morning for Mosier. They own a fruit ranch near that city.

Fred Edwards was in this city over Sunday.

Starl Austin left on Monday morning for Portland.

J. E. Jenkins of Fossil shipped three cars of sheep on Monday to the Portland market.

Miss Bessie Burns left on Monday morning for Portland.

J. P. Kinney of Seantle arrived in this city on Tuesday evening and will remain throughout the winter. He is a son of Mrs. Dave Cantwell of this city.

About twenty young people of this city attended a Hallowe'en party given on Monday evening at the home of Mr. and Mrs. F. T. Hurlburt. All were in costumes, some of which were very elaborate. The evening was pleasantly passed in playing "500" Mrs. H. A. Thiessen winning the prize. A bounteous supper was served at midnight.

A Hallowe'en party was given at the Congregational parsonage

on Tuesday evening by the Daisy Club in honor of the young men. About 22 were present. A most excellent supper prepared by the ladies was served and all present report a very enjoyable evening.

Dr. and Mrs. E. O. Parker of Pendleton spent Sunday in this city visiting at the home of Mr. and Mrs. D. R. Parker.

John Magee renewed his subscription to the Globe this week.

J. J. Hetzler of Lost Valley will receive the Globe and Semi-weekly Journal during the coming year.

W. A. Graves was a business visitor in The Dalles on Thursday.

A football team under the name of the Condon Athletic Club is being organized and the team will begin practicing at once. Another game with the high school team will be played soon.

Following the program in the Rink on Thursday evening, a dance was given by the High School football team. An enjoyable time is reported by all.

A good position—can be had by ambitious young men and ladies in the field of "Wireless" or Railway telegraphy. Since the eight-hour law became effective and since the Wireless companies are establishing stations throughout the country there is a great shortage of telegraphers. Positions pay beginners from \$70 to \$90 per month, with good chance of advancement. The National Telegraph Institute of Portland, Ore., operates under supervision of R. R. and Wireless Officials and places all graduates into positions. It will pay you to write for full particulars.
