**WE TEST YOUR EYES
FREE OF CHARGE**

When we say test, we mean test. We don't hang a card on the wall and guess, or let you guess at the glass you need. We know what you need. Blue eyes are the weakest, brown eyes are the strongest. Prominent eyes are most frequently near sighted.

EYE HEADACHE

Our large business is the result of not merely trying to sell glasses. We advise a third of the people we examine not to wear them. Headaches come from poor eyes and 99 other causes. We can tell whether or not your headache is due to eye strain and will. Don't monkey with your eyes. See our Specialist. No Charge.

**SUNDAY SERVICES AT
THE CONDON CHURCHES**

(Continued from page 1.)

all the children come.

St. Catherine's Church

Easter Sunday

Next Sunday holy Communion service at 6:45 a. m., followed by a low mass at 8 a. m., at which the pastor will preach. At 10 o'clock there will be a very impressive service in conjunction with the high mass. A very select program of music has been prepared for the high mass under the direction of Miss Rose A. Wehrli assisted by a full body of sopranos, altos, tenors and basses. The entire congregation, along with the pastor, extend a hearty welcome to all people to attend and every courtesy will be extended to them by the ushers. The sermon for Easter at the 10 o'clock service will be "The Vanquished Tomb." Immediately after the last mass, Benediction of the blessed Sacrament. There will be no evening service as the pastor must leave that evening for the missions. An elaborate system of altar decorations will greet visitors.

Baptist

On Sunday the 23rd of March I will preach in Condon at 11 a. m. and 8 p. m. when my subject will be, "Falling from Grace vs. The Final Preservation of The Saints," followed by a sermon in the evening at 7:30. No one will be abused.

ELD. J. H. MILLER.

W. C. Brown shipped a carload of horses Wednesday from the local yards. They were consigned to Tacoma to be re-shipped from there to Honolulu. Mr. Brown went to Tacoma.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh, being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative power that they offer one hundred dollars for any case it fails to cure. Send for list of testimonials. Address F. J. CHENEY & CO., Toledo, O.
