## Popular Condon Young People Are Married

A very pretty church wedding was solemnized at seven o'clock Tuesday morning when Edward Slick and Miss Grace Mary Burns were united in marriage in St. Catherine's church. Rev. Father Brady spoke the words which joined the lives of these estimable young people. The bride was attended by her sister, Miss Bessie, and the groom by the bride's brother, Mayor Jas. D. Burns of this city. Sixty friends were present at the ceremony and fifty of these partook of the bounteous breakfast which was served at the home of the bride's parents at eight o'clock. After

the breakfast the young people were taken to the depot in an auto plentifully decorated with signs, old shoes, cans, etc. They went to California to visit the groom's people for a few weeks when they will return to take up their residence in the Couture house in west Condon.

The bride is the daughter of Mr. and Mrs. F. W. Burns and is one of Condon's choice young ladies. She will make a happy home for her chosen husband. Mr. Slick has lived in Condon for several years during which time he has made a reputation as a fine baker. He is an indus-
