IT IS SOMETIMES not easy for us to distinguish between our opinions and our prejudices. This is a matter one should ever bear in mind. One thing is certain; prejudice is always inclined to make one dogmatic while an opinion formed on rational grounds does not make one sensitive to criticism.

WASHINGTON and Adams appeared before joint sessions of the two houses of congress and delivered their annual messages in person. Jefferson, for some reason, abandoned the practice but President Wilson has restored the custom after a lapse of over 100 years. How much better it is that the president should personally deliver his message than to leave it to some clerk who does not know what he is reading about or does not care.

THE Municipal News, Los Angeles' municipal weekly newspaper, has discontinued after only 32 weeks of publication and at a loss of \$36,000 to the taxpayers. Still there are many who think they can run a newspaper better than the editors.

THE direct election of United States senators is now assured for the whole nation.

GLOBULES

PATting 'em on the back has been a stock in trade of some politicians. What will they do with the women voters?

AN optimist is one who makes lemonade out of the lemons that are handed to him.

IT is now claimed that a deficiency of \$70,000,000 in revenue receipts will be caused by the downward tariff revision.

THE man who has to be converted every year must be a trial to the Lord's patience.

THE residence property in Condon has been pretty thoroly cleaned although some of the rubbish has not been hauled to the dumping ground yet. Some of the rear alleys however are still indescribably filthy. The business houses should be compelled to clean these places at once for it is just such places that breed millions of flies and in other ways menace the public safety. The man who is not willing to voluntarily clean up all such places should be compelled to do so without any hesitation on the part of the authorities.

Better than Spanking

Spanking will not cure children of wetting the bed, because it is not a habit but a dangerous disease. The C.H. Rowan Drug Co., Dept. 1456, Chicago, Ill., have discovered a strictly harmless remedy for this distressing disease and to make known its merits they will send a 50c package securely wrapped and prepaid Absolutely Free to any reader of The Condon Globe. This remedy also cures frequent desire to urinate and inability to control urine during the night or day in old or young. The C. H. Rowan Drug Co. is an Old Reliable House, write to them today for the free medicine. Cure the afflicted members of your family, then tell your neighbors and friends about this remedy.
