THAT Sheriff Montague had incurred the enmity of the Globe and that the article in our last issue in regard to lining the jail contained a slur at him, as claimed by the Times, was a complete surprise to us. Nothing was ever farther from the truth. We have always had and still have the highest respect for Mr. Montague, both as a private citizen and as an officer. We have never in any way said anything derogatory to Mr. Montague, in fact we have always held a high opinion of his ability and have expressed ourselves to that effect many times.

FROM the interest shown in the O-W. R. & N. Co's corn contest, it appears that Oregon will become a big corn producing state. More than 5 tons of selected seed corn, enough to plant 1000 acres, has been distributed free of charge by the company, while the Southern Pacific has distributed more than 2 additional tons. This seed will be planted throughout the Pacific Northwest and means the corn acreage of this year will be twice as large as last.

THE street railways of New York employ newspapers to influence advertisers to purchase street car advertising space. Is this not evidence that they consider newspaper advertising the most effective? When people who have an advertising medium find it profitable to purchase newspaper space to advertise their own advertising space, surely every merchant should find it so.

DESPITE its unlucky final figures, the year 1913 promises to set a high record for business and industrial progress. A report just made by a leading commercial agency states that prospects for a good year were never better throughout the Pacific Northwest territory.

INTERNATIONAL peace is a question that is receiving more attention year after year. In many American schools the Peace day, introduced a few years ago, is being regularly observed.

HALF of the population of the world is in Asia and more than one-fourth in China and Japan. A heavy immigration across the Pacific would be an overwhelming tidal wave.

BEFORE Uncle Sam goes to railroad building in Alaska it would be well to push the improvement of the rivers along which 95,000,000 people are living.

**THE PASTOR SPRINTED.**

He Made a Good Run in Record Time With Plenty of Reason.

One of the traditional stories of the town of Fairfield, Conn., recounts a wild dash from the pulpit made by a worthy and beloved pastor of the Episcopal flock, Dr. Labaree.

It was on a Sunday more than a hundred years ago. The service had been read, the prayers said, the hymns sung, and the parson began his sermon. As he proceeded his gestures became very energetic. He brought his right hand down with great force. Then he turned pale, cleared the pulpit stairs at a bound, dashed out of the church door and ran toward the pond a short distance away.

The congregation followed in bewildered pursuit and saw their venerable pastor with flying robe rush into the water until it came to his neck. Then, turning round, he faced his astonished audience and said:

"Dear beloved brethren, I am not crazy, as no doubt many of you think, but yesterday at the drug store I bought a bottle of nitric acid and carelessly left it in my pocket today.

"My last gesture broke the bottle. I knew the suffering the acid would cause when it penetrated my clothing and rushed for the water to save myself pain."

He drew several pieces of glass from his pocket in witness of the tale. Then he dismissed the company and hurried home.

**Deafness Cannot Be Cured**

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness - caused by catarrh - that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY & CO., Toledo, O. Sold by all Druggists, 75c. Take Hall's Family Pills for constipation.
