SOME one says: "The world has discovered Central America at last." Just so, and it will be fortunate for all concerned if Uncle Sam can be the first to file his papers.

IT IS BECAUSE of the encouragement and incentive given to growers of grains, fruits, vegetables and grasses that exhibits of soil products are worthy of attention from those engaged in any phase of husbandry. The exhibits of the Tri-County Fair will

WHY THE TRI-COUNTY FAIR MEANS A GREAT DEAL

give encouragement to all and furnish an incentive to try and out-do others and to carry off coveted prizes and honors that stamp their winners as leaders in their chosen lines of endeavor. There comes with these exhibitions an unequalled opportunity to meet others engaged in the same line of work, to exchange ideas, and to become familiar with methods of soil cultivation, new tools and implements. They lead one to study progress in the same line, to lighten the work and make it more effective. The value of this coming fair should not be underestimated in the help it will give the exhibitors and those who attend in attaining a higher standing in their special branch of industry.

THE trade-at-home habit is a good one. And best of all, those who have this habit gradually get back some of the money they have spent at home. Also the wise buyer knows that when he buys at home he gets immediate possession of the article, he sees its quality, he receives the guarantee of the home merchant and his money is returned to him if the article fails to measure up to his expectations.

FRONTIER DAYS

Walla Walla, Wash., U. S. A.
SEPTEMBER 25, 26, 27, '13

Frontier Days at Walla Walla will, undoubtedly, be the biggest and best attraction of the kind ever promoted by any city of the United States. Every feature of western life will be re-enacted in a truly amazing manner by the most skillful and daring performers living.

Champion riders of world fame will, each day, compete with each other in wonderful and thrilling feats of horsemanship; racing wild horses by dare devil riders will hold the crowds spell-bound; the "drunken-ride" is a top-notch feature; Indian races and feats will truly depict the character and cunning of the Red man, while the 150-mile pony express relay race will require a wonderful endurance test of man and beast. Champion lady riders will perform in wondrous manner and remarkable in their skill as horsewomen. The square dances, Indian dances, Indian village and a REAL INDIAN WEDDING will portray in vivid manner Indian life. Bulldogging cattle, roping and branding, throwing by the horns and a general stampede are but a few of the features of life among the cattle. Not the least of the events planned is the monster street parade which will show every phase of early western life, cowboys, trappers, miners, express riders, stage coaches, pack trains and early settlers will participate. The world famous 72d Seaford Highland Band of 70 pieces will be one of the musical treats.

Are you planning to attend the Tri-County Fair.

It is the beginner who is most critical of others.

A barking dog may not bite but he can stop barking.

The street improvement is already receiving much favorable comment.

The burning question with a number of people is how to make a wheelbarrow income keep an automobile.

That "The good die young," and "death loves a shining mark" are not so awfully discouraging to most of us.

Save your best grain for exhibition at the Tri-County Fair. Others will be benefitted thereby and you may win a prize.

If you are faithful in telling your friends of their faults, you will lessen the number of your friends faster than their faults.

"Yes, luxuries like bread may be cheaper," said the owner of an auto, "but see how necessities like gasoline go sky-rocketing in price!"

The capacity of some for politeness is greater than others. Matthews, the traveling salesman has been known to give up his seat in a streetcar to oblige three women at once.

A child that has intestinal worms is handicapped in its growth. A few doses of WHITE'S CREAM VERMIFUGE destroys and expels the worms; the child immediately improves and thrives wonderfully. Price 25c per bottle at Graves & Van Slype's.

Miss Daisy Duthie left Tuesday for Portland.

"Tales of Honey and Tar" from West and East. Wm. Lee, Paskenta, Calif. says, "It gives universal satisfaction and I use only Foley's Honey and Tar compound for my children." E. Rhodes, Middleton, Ga. writes, "I had a racking lagrippe cough and finally got relief taking Foley's Honey and Tar compound." Use no other in your family and refuse substitutes.
