ARLINGTON TO HAVE NEW SCHOOLHOUSE

The members of the Arlington School District held a meeting at Louy's Hall Tuesday evening to consider the proposition of building a new schoolhouse. Quite a large crowd attended and the prospects for a new building are favorable.

It will be at least a six room brick or concrete building, with the latest school equipment, costing approximately \$20,000, and will be located near the tennis courts.

For Sale.

Several fine Buff Orpington and Blue Andalusian Cockerels at \$1.00 each.

Notice.

Notice is hereby given that after November 30th the O. K. Barber Shop will be closed every Sunday.

Randall & Seale, Proprietors.

Hollen & Sons are giving special prices and special on piano coupons almost every day. It will pay you to inquire.

Wm. Bolton left Tuesday morning for Los Angeles. He will spend a few weeks there and go on to St. Louis to visit for some time before going on to Centerton, Arkansas where he will spend the winter. Before leaving he subscribed for the Globe.

Farr Bros. will receive their first carload of White River Flour next week. This flour is made from Oregon hard wheat and makes light and white bread. A trial will convince that it is a fine flour. It is milled in The Dalles. Get a sack and see for yourself that it is as advertised.

J. S. Burres bought 185 head of cattle last week at Stanfield and shipped them to Arlington. While driving them across country from that place to his home ranch he sold the entire lot to Jack Gibson.

ITEMS FROM CONDON PUBLIC SCHOOLS

The school has planted some trees to improve the appearance of the grounds. We know they will be sure to grow. Mr. Burns says they will grow if proper kinds are planted.

The different rooms are starting to standardize their work. There is no paper on the floor and the janitor has easier work.

We are using the following system for standardization: General appearance and ventilation, floor, black boards, desks, cloak room, conduct in classroom and corridors, cleanliness, excused from class during session, punctuality, highest average of satisfactory progress.

Miss Keizer thinks she has the best grade. The 3rd grade is the best behaved grade in school.

We have been trying to find the champion letter writer for the past three weeks. During that time Lea Glover wrote twenty eight letters. These letters are written at home.

The 5th grade has already picked out its garden plots and some have already spaded them. They are planning a Potattee club in the spring.

Miss Portwood has made her room the prettiest in the school.

We hope the parents will not forget the entertainment we are giving for their benefit next Wednesday.

The 2nd grade program begins at 1.15, the higher grades at 2.45 P. M.

Every pupil would like his or her parents to come. The pupils are planning to send a gift to the Boys and Girls Aid Society of Portland for Thanksgiving.

The new pupils are: 8th grade, Orvin Tierney, John O'Rourke and Dan Rice. 7th grade, June Corbin, 3rd grade, Dasy Buchanan, 2nd grade, John Couture 1st grade, John Kennedy, Aldia Kennedy, Marie Couture.

Cause for Alarm

Loss of appetite or distress after eating—a symptom that should not be disregarded.

It is not what you eat but what you digest and assimilate that does you good. Some of the strongest, healthiest persons are moderate eaters. Nothing will cause more trouble than a disordered stomach, and many people contract serious maladies through disregard or abuse of the stomach.

We urge all who suffer from indigestion, or dyspepsia, to try Rexall Dyspepsia Tablets, with the understanding that we will refund the money paid us without question of formality, if after use you are not perfectly satisfied with results.

We recommend Rexall Dyspepsia Tablets to customers every day, and have yet to hear of one who has not been benefited. We believe them to be without equal. They give prompt relief, aiding to neutralize acidity, stimulate flow of gastric juice, strengthen the digestive organs, and thus promote perfect nutrition and correct unhealthy symptoms.
