Parcel Post Social Nets Good Amount for Organ

A fair-sized crowd attended the parcel post social at the Congregational church Wednesday evening and everyone brought a package. One very noticeable thing was the absence of the male members of the church. A number of games were enjoyed and the main event of the evening was the auctioning of the packages by Marshal Whier. Herbert Schilling sang a solo and Cora and Rose Anderson a duet, both of which were appreciated. The ice cream booth was quite popular. The amount cleared was about \$40 and this was turned into the organ fund.

Mrs. Frank Woosley and Miss Jessie Hardie left Monday morning for Seaside where they will attend the Rebekah convention in session there this week.

Miss Hazel Schott returned Sunday from Joseph where she has been teaching during the past school year.

BLALOCK WILL BE GOOD PLACE TO VIEW ECLIPSE ON JUNE 8

One of the best places to view the eclipse of the sun of June 8 is in this county near Blalock, according to the Scientific American. The eclipse will be visible to a certain extent in Condon and will be interesting to watch through a smoked or colored glass. Some people plan to drive to Blalock with the idea of getting a better view.

Mrs. W. E. Smith returned to Portland Sunday.

L. E. Shelley sold a Buick Six to Brick Morris Monday.

Mr. and Mrs. J. C. Sturgill left Tuesday morning for a visit in Portland.

A number of Fossil people attended the Guard dance in this city Friday night.

W. R. Hartman, Condon, Wins Good Appointment

William R. Hartman who is attending Hill Military Academy has been appointed second lieutenant in the cadet corps of the academy. The officers are awarded for excellence in drill, in scholastic work and in deportment. The cadets are taking an active part in patriotic work this semester and are doing well in all departments of study. Mr. Hartman is among those who participated in the recent Liberty loan parade. The students also have given several dancing parties which have been attended by a large number of the younger society girls of Portland.

CARL ANDERSON IS THROWN FROM HORSE; BADLY BRUISED

Carl Anderson was severely bruised when the horse he was riding fell with him Sunday morning and it was pure luck that he was not seriously injured. He was riding after horses near his home on Pine Ridge when his saddle horse fell, throwing him over its head, and then fell on him. Dr. Wilhelm was called but found no serious injuries. Mr. Anderson is able to be around again.

Will Stewart of Lone Rock went to Portland Saturday morning.

GILLIAM IS SLOW IN BIG WAR DRIVE

Red Cross Subscriptions Coming in Slowly; Drive Ends Monday

Red Cross subscriptions are coming in very slowly. Only a small percentage of the people of the county have responded to the notices recently sent out by the committee in charge. Wednesday night the committee had received only \$3800, and Gilliam's quota is \$11,900. This is \$10,000 for the Red Cross and \$1,900 for the Armenian Relief Fund. Is Gilliam county going to fall down this time on this important matter after having always been among the first to report in former drives? The drive ends next Monday. Get your subscription in before that time if possible so that Gilliam will have a clean record.

The Red Cross Committee desires to give notice to those who have not responded to the letter mailed them that it is absolutely necessary that each person respond by paying the amount specified in their notice. Those who have not as yet paid are requested to do so at once, otherwise it will be necessary to call upon them personally to ascertain their reasons for refusal.

CHOIR ENJOYS DINNER PARTY GIVEN AT HARTSHORN HOME

Mrs. C. H. Wilson, who expects to leave the first of the week for the east, was the inspiration for a delightful dinner party at the H. A. Hartshorn home last evening. Pink rosebuds and maline were combined effectively on the table and hand-painted place cards added to its attractiveness. An excellent dinner was served by Mrs. Hartshorn and several toasts were given which added further enjoyment to the meal. The guests were all members of the Congregational choir to which organization Mrs. Wilson has been a loyal assistant during her three years' residence in Condon.

CONSERVATION RECIPES

With the idea of practicing conservation in the home the ladies of the Home Demonstration club in this county recommend the following wasteless recipes as being delicious and easy to make.

POTATO MUFFINS—1 cup cooked mashed potatoes, 2 cups barley flour, 6 teaspoons baking powder, 2 tablespoons sugar, 1 cup milk, 2 tablespoons fat, 1 egg. Make as any muffin and bake.

CORNMEAL AND BARLEY BREAD—1 cup cornmeal, 1 cup barley flour, 5 teaspoons baking powder, 1 teaspoon salt, 2 tablespoons sugar (or syrup), 1 cup milk, 1 egg, 2 tablespoons shortening. Sift dry ingredients into bowl; add milk, beaten egg and melted shortening. Stir well. Put into greased pan, allow to stand in warm place 20 to 25 minutes and bake in moderate oven 40 to 50 minutes.

Sheriff Lillie went to Portland Wednesday.

A. Liebl of Ione renewed his subscription to the Globe this week.

MRS. WM. CRAWFORD GIVES LUNCHEON FOR MRS. WILSON

Mrs. Wm. Crawford was hostess Wednesday at a daintily-appointed luncheon in honor of Mrs. C. H. Wilson who expects to leave next week for the east. Tulips and narcissus furnished the motif for the color scheme of yellow and white which was carried out in the table decorations, and in the delicious three-course luncheon served by Mrs. Crawford. Covers were laid for Mrs. C. H. Wilson, Mrs. H. A. Hartshorn, Mrs. W. H. Reynolds, Miss Grace Brown, Miss Frances Byers and the hostess.

L. E. Fry sold a Ford to Clell Thomas this week.

Alex Hardie left Monday morning for Portland to visit a few days with his relatives.

Mr. and Mrs. G. M. Biakely and family left Saturday for Shaniko where they will spend some time on their ranch.

GRAIN SACKS AT 28 1-2 CENTS

Attention is called to a change in sack prices from those quoted in the Arlington Lumber Company's ad in this issue. The new quotation from the Arlington Lumber Co. is "sacks are now worth 28 1-2 cents with a 9 cent per bushel differential which means about 8 1/2 cents net for sacks. We are selling new sacks for 28 1-2 cents." This quotation arrived too late to be inserted in the ad so when reading it consider that the price quoted here is the latest.
