

Stylish, Modern Tailoring

Come in and look over my Woolens for Winter suits. I have a large assortment of all wool in standard weights and the quality has never been better in the display line I have picked for my trade. This is the time to supply yourself with good WOOL SUITS AND OVERCOATS as the prices

are advancing every season. Soon we will not be able to buy woolens for suits as the government is taking over the wool for suits and overcoats for the soldiers.

RAINCOATS

I also have a good assortment of Rain Proof materials for Raincoats.

"Outwitting the Hun"

By Pat O'Brien

About 9 o'clock that evening I came to a point where ahead of me on the right was a Belgian police station—I knew it from its red lights—and on the other side of the street were two German soldiers in uniform leaning against a bicycle.

Here was a problem which called for instant decision; if I turned back the suspicion of the soldiers would be instantly aroused and if I crossed the road so as not to pass so closely to them they might be equally suspicious. I decided to march bravely by the Huns, bluff my way through and trust to Providence. If anybody imagines, however, that I was at all comfortable as I approached these soldiers, he must think I am a much

braver man than I claim to be. My heart beat so loud I was afraid they would hear it. Every step I took brought me so much nearer to what might prove to be the end of all my hopes. It was a nerve-racking ordeal.

I was now within a few feet of them. Another step and—

They didn't turn a hair! I passed right by them—heard what they were saying, although, of course, I didn't understand it, and went right on. I can't say I didn't walk a little faster as I left them behind, but I tried to maintain an even gait so as not to give them any idea of the inward exultation I was experiencing. No words can explain, however, how relieved I really felt—to know that I had successfully passed through the first of a series of similar tests which I realized were in store for me—although

Brighter Light; Safer Light

ELECTRICITY makes better light than kerosene.

Lalley-Light furnishes electricity for light and power.

It is better light. It is safer. It can't explode. It cannot be upset and set fire to the house and barn.

It is always ready—wherever you want it—at the twist of a switch.

Lalley-Light is tried and true. Its engine runs smoothly and easily on extra large ball bearings.

It has been in farm use more than six years. We will gladly demonstrate free on your farm. Call for the owners' testimonial book.
