

## FRANK BURNS IS KILLED IN ACTION

Somewhere in France in a hero's grave sleeps Frank Burns. He paid the supreme sacrifice August 30 in action with the 128th Infantry which did such glorious work through July and August. When the message arrived here from Washington, September 29, a feeling of sadness for a departed friend and of deep sympathy for the bereaved family pervaded the community for Frank numbered everyone among his friends. It may be that the sadness was tempered somewhat by the fact that the price he paid in facing the foe which menaced the liberty of the country he loved is the greatest, most wonderful, any man can pay and it is comforting to know that the flame of patriotism which burned in his heart was so great that it was possible for him to face death calmly with the satisfaction of knowing it was in duty for his country. There could be no greater monument for any life. He was the first Gilliam county boy to pay just as he was among the first to try to go. He enlisted in the cavalry a year ago last June but was finally discharged because he was underweight. He came home, tried to build up to the required weight and tried to enlist again before the draft but was rejected. He kept on trying and by the time he was called in the draft was just a trifle underweight but was accepted. Soon after entering the service he asked to be transferred to a certain division that was going overseas at once and was successful.

Frank Burns was the son of Mr. and Mrs. F. W. Burns of this city and was born in Toledo, Ohio, September 30, 1894. He came to Condon ten years ago and after a few years became associated with the firm of Dunn Bros., Inc. of which firm he was treasurer at the time of his death. In addition to the family here he leaves two sisters, Mrs. Kelly in Rhode Island, Mrs. Slick in Indiana and a brother, J. W. Burns, in Nebraska.

### MORE NURSES WANTED

Gilliam county has not filled her quota for the Nurses Reserve. This county is expected to furnish five girls to take training for nursing and so far only two have volunteered. It is a good work and essential to the winning of the war and aside from this the training these girls get will be of great benefit to them all through life. Make application for this service to Mrs. John Jackson in Condon.

Get your bond now.

## HAVE YOU SUBSCRIBED FOR BONDS?

Gilliam county went over the top for her quota of Liberty Bonds at the zero hour last Saturday but the campaign is still on and will be until every person rated and notified by the local committee takes his or her assessed amount so if you have not taken your share yet you will know that you are not released from your duty just because the county is over. Some have the idea that by subscribing later after the county's quota is raised they will get a larger discount but such is not the case. When any rebate is made it will be evenly distributed and nothing is to be gained by delaying. The committee desires to say that every person who has not taken their quota is expected to do so at once.

### NO BUILDING OVER \$2500

The State Council of Defense has been designated by the War Industries Board as its representative in passing upon proposed construction in the State of Oregon, in order that all building which is not absolutely necessary may be stopped. Permits will be required for all new construction projects and all repairs and extensions to existing buildings involving an aggregate cost of over \$2500. Applications for these permits must be made to the chairman of the County Council of Defense. An investigation will be made after which the request and a sworn statement will be sent to the state council for review. All applications must be in duplicate and sworn to. Make all application for permits to D. R. Parker, county chairman.

### MEN TO BE EXAMINED

Examination of the Class One men in the late draft will begin next Thursday morning and proceed as rapidly as possible for it will be only a short time until a number of these registrants will be called into military service.

F. B. Stevens renewed his subscription to the Globe this week.

L. P. Davidson of Eightmile was a Condon visitor Monday.

J. B. Lester and Wm. Bartlemay were up from the Nook Monday.

## ANN M'LAREN HARDIE IS CALLED

Another Gilliam county pioneer was called to her final reward Monday, September 30, when Ann McLaren Hardie passed away at the home of her daughter, Mrs. Wm. Christie, in Portland. She was born in Scotland November 2, 1834, being nearly 84 years old at the time of her death. For 35 years, Mrs. Hardie was one of the builders of the Gilliam county of today and her work was always well done. The body was shipped to Condon Tuesday and funeral services were held this morning at ten o'clock in the Congregational church where a large crowd was in attendance and many followed to the cemetery to pay their last respects to an honored woman. Full obituary next week.

### WILL GIVE HARVEST BALL

The Condon Home Guard will give a Harvest Ball tomorrow night, October 5, in the rink hall in this city. The Guard is planning on making this a most enjoyable affair. Good music and a well-waxed floor will insure a good time for those who like to dance. You are invited.

### SCHOOL HAS HONOR LIST

The Condon High School has an honor roll numbering twenty-one names. That is 21 students who have at some time attended the local high school are now in the military service of their country and eight of these are in France and England.

### REPORT ALL INFLUENZA

Local Health Officer Cathey has received an order from the State Board of Health asking for an immediate report on all cases of influenza or gripe. If you are suffering from an attack of either of these diseases report it to Dr. Cathey at once.

Mr. and Mrs. F. T. Hurlburt and Miss Lucile Hawson went to Portland yesterday. Mr. Hurlburt will visit in Tacoma before returning.

Art Miller went to Portland Wednesday to enlist in the British army.

Mrs. Pittman and Mrs. Fred Anderson are visiting at the W. A. Graves home this week.

## TEACHERS WILL MEET IN CONDON

The teachers of Wheeler and Gilliam counties will hold a joint institute at Condon October 16, 17 and 18. Plans are being made for a most interesting and instructive session. E. F. Carlton will represent the State Department; Dr. Robert Max Garrett of Seattle will do Junior Red Cross work; Dr. H. D. Sheldon of Eugene, who has been in Washington studying war conditions will give us the benefit of his study; Professor E. T. Reed will represent the O. A. C.; H. C. Seymour will explain club work; Mrs. Curran of the Oregon Normal will take up primary work and rural education and Prof. Carl Doney, who is just from the trenches of France will address a mass meeting at the Rink Hall, Thursday evening, October 17. He will explain war's real conditions as he saw them. Everyone is urged to attend some or all of these meetings. The school children will take part in the evening programs.

The schools at Buckhorn, Mayville, Gwendolen and Clem were recently visited and found to be starting off the year's work in good shape.

The pupils of the schools of this county did excellent work in gathering clothing for the suffering Belgians. By their efforts we were able to ship from southern Gilliam county 1800 pounds of clothing. The pupils are not idle when one job is completed they start on something else. They are now gathering peach, apricot and plum pits for use by the government. No pupil is a "whiner" they all fully realize the importance of assisting the government and in doing it in any way they can.

### CHURCH SERVICES

Rev. George McClure will preach at the Congregational church next Sunday morning and evening. Rev. McClure will consider a call to this church and everyone is cordially invited to come out and hear him.

Mr. and Mrs. A. S. Hollen and Mrs. Harry Roland are at Long Beach, Calif., for the winter. They want the Globe.

It is reported that Harry Roland will be kept in California all winter taking special instruction in some particular line of the service.

Mrs. A. L. Duthie of The Dalles was in Condon to attend the funeral of her mother, Mrs. Hardie.

Mrs. Wambold, who has been spending several months with her daughter, Mrs. Gerald Burns, left Tuesday morning for her home in Toledo, Ohio.

### NEW FUEL ORDER

Fred J. Holmes, Fuel Administrator for Oregon has issued the following order: Mine operators, wholesale dealers in coal, and others engaged in the selling of coal, are hereby prohibited from making shipment of coal in car lots to any individual, or group of individuals, firm or corporation, other than regularly recognized retail dealers. This order shall in no wise apply to coal sold for industrial use, or for use by public utilities, municipal plants, factories, schools, city, county or state institutions. If an exception to this order becomes necessary, the county chairman may make application to the state fuel administrator for special permit, which will be granted, provided the reason given is sufficient.

Mrs. E. W. Hutchinson went to Portland Tuesday.

Mr. and Mrs. Wm. Christie, former residents of this city, are in Condon, having come up from Portland to attend the funeral of Mrs. Christie's mother, Mrs. Hardie.

### WANTED:

Man and wife want job on farm. Experienced in farm work. Call at this office.

## EPH WILSON IS BACK TO COMPANY

In a letter to his sister, Eph Wilson, a Gilliam boy serving in France, says: "I am back with my company now and feeling fine: Haven't been up in the lines yet but my company has and I will be in soon. I left for the hospital just before they went in. This makes the second front for them. The first was a tame one but this is quite different; we have no trenches at all but are right out in the open. Our Division drove the Fritzies back about 18 kilometers and that's farther than any other Division has driven them. I was in a town a few days ago and while I was there the Huns threw nine "box-cars" into the place. I call them "box-cars" for you can throw a box car into the hole they make. Pat Corrigan is in the hospital. He accidentally shot himself in the foot. Walter Davis is in the Military Police at the 5th Army Headquarters. I saw him the other day for the first time since we arrived in France. He is attached to the 5th Army Corps for the duration of the war. Van Dawson is cooking for the old Co. I, 162nd. He will stay there for some time. Don't send me anything for I have all I can carry now and then some."

Garland Gerguson and Will Jensen left yesterday for Fort McDowell to serve their country in limited service.

## CHARLES EVANS DIES IN PORTLAND

Charles Evans, the son of Mr. and Mrs. George C. Evans of Mayville, died Tuesday, October 1, at the Good Samaritan hospital in Portland from the effects of burns received the day before. He was cleaning some clothes in a tub of gasoline which caught fire. Although only 16 years old he was serving his country by doing his bit in the shipyards in Portland. Funeral services were held at Mayville yesterday and were conducted by Elder N. E. Austin of the Latter Day Saints church of Condon.

### MEMORIAL SERVICES

Memorial services in honor of Frank Burns, who was recently killed in action in France, will be held at the Catholic church next Thursday morning, October 10, at 9 o'clock. Everyone is invited to be present.

Mr. and Mrs. N. E. Austin and daughter, Gladys, returned Wednesday from a visit in Montana.

Major C. S. Noble, who has been working on the highway in Wheeler county, passed through Condon this morning on his way to France, having been called to the Y. M. C. A. service.

A. B. Robertson, agent for the Lally-Light, sold three plants last week. Those who got them are Mrs. Berthold of Shutler, E. E. Dyer of Mayville and H. E. Baker of Wheeler county.

Condon is improving this fall in spite of the war. This is shown in one way by the fact that A. B. Bower reports that he has wired 16 houses this fall.

The Liberty Chorus will meet in the rink tonight at 7:30 and everyone interested in the singing of patriotic songs is cordially invited to be present.

## ELECTRICITY SAVES TIME AND LABOR

When you consider the time and labor that electricity will save on the farm, the greater efficiency that it brings in practically every line of farm work, and the increased production that naturally follows an electric plant for light and power becomes not the luxury which you may have regarded it in the past, but a real necessity to a wide awake progressive farmer.

A full page Lally Light advertisement will appear in the following papers as well as in 27 other well known publications.

The Country Gentleman	October 12
The Breeders' Gazette	October 17
Pacific Rural Press	October 26
Orange Judd Farmer	October 19
Oregon Farmer	October 17

I will be glad to show you by actual demonstration what Lally Light will do on your farm:

YOU CAN DO MORE -- MORE EASILY -- WITH ELECTRICITY
